HUNSLY BOARD OF

GUARDIANS.

A fortnightly meeting of the above Board

was held on Wednesday afternoon at the

Office, Hunslet, there being in attendance Mr.

T. Park (chairman) presiding, Mrs. Dickenson,

Mrs. Killingbeck, Rev. M. J. Dillon, Messrs.

Butterick, Schofield, Green, Good, Messrs.

Edison, Burrows, Park and Mrs. Dickenson.

A letter was received from Messrs. J. Batty

and Mrs. Stott, stating that the selected pattern

of Hunslet is only made in the B. quality. It

was agreed that Messrs. B. & S. be selected. A

report was received from the Superintendent

with regard to children in the Homes who

in his opinion are likely subjects for emigration

to Canada. It was agreed that the Clerk

be instructed to obtain a report from the

Medical Officer as to the physical and mental

condition of the children referred to and to

make arrangements for their emigration.

At a meeting of the Board held on the 21st

December there were present Messrs. Schofield (chairman),

Butterick (vice-chairman), Palmer, Coopers,

Edison, Burrows, Park and Mrs. Dickenson.

A letter was received from Messrs. J. Batty

and Mrs. Stott, stating that the selected pattern

of Hunslet is only made in the B. quality. It

was agreed that Messrs. B. & S. be selected. A

report was received from the Superintendent

with regard to children in the Homes who

in his opinion are likely subjects for emigration

to Canada. It was agreed that the Clerk

be instructed to obtain a report from the

Medical Officer as to the physical and mental

condition of the children referred to and to

ROTHWELL TEMPERANCE SOCIETY.

BAZAAR.

The Rothwell Temperance Society held

their annual bazaar in the Council School,

Carlton Lane, during the Christmas holidays.

The rooms were appropriately decorated, and

the effort, well planned, on the last day

the room being crowded.

The bazaar was opened by Mr. T. Shearman

on behalf of the General Committee on

Christmas Day.

The following is a list of workers:—

No. 1 DRAPEY STALL—Mrs. J. Siddobottom

and Mrs. S. Siddobottom.

No. 2 DRAPEY STALL—Mrs. J. W. Lord

and Mrs. M. Smith.

SIXPENNY TOY STALL—Mrs. A. Blackburn

and Mrs. M. Ward.

PENNY TOY STALL—Miss Violet Ward

and Miss Fickering.

SWEET STALL—Miss McWilliams and

Mrs. Stead.

REFRESHMENT ROOM—Miss Annie Siddobottom

and Mrs. Gertrude Ineson, and Mrs. T. Beckwith.

REFRESHMENT ROOM—Mrs. McWilliams,

Mrs. W. Armstrong, Mrs. W. Parmenter, Mrs. E.

Doyle, Mrs. W. Smith.

ASSORTED STALL—Mrs. J. Bedford and

Mrs. Walker.

SMOKE ROOM—Messrs. R. Fielding, J.

Fieldhouse, T. Dean, W. Siddobottom.

SHOOTING SALOON—Messrs. G. Siddobottom

Whitehead, W. Armstrong, R. Beckwith, J.

Fielding, S. Edwards.

GAME ROOM—Messrs. W. Parmenter, J.

Newson, E. McWilliams, M. Birkin.

WINDING MACHINE—Mr. J. Mallors.

THE "MESSIAH."

The Rothwell and District "Messiah"

choir gave another Christmas performance

of the above work on Sunday afternoon last,

in the Rothwell Wesleyan Chapel, and although

the audience was not so large as a year ago

the singing of both the principals and chorus

was of considerable merit.

The Robin Hood pit strike, the fact that the

same programme was given at Rothwell

early in the next year, and that last year it

was also given in the two places, afforded some

explanation for the attendance not being as

large as was expected and the receipts consid-

erably small when compared with those of a

year ago.

The gallery, however, was well filled, whilst

a considerable number of comfortable seats

in the body of the chapel.

The proceedings were opened by Mr. W.

Stephenson, who in suitable words introduced

the advertised choir, Mr. John Hirst, of

Rothwell.

Mr. Hirst in brief crisp sentences expressed

his appreciation of the efforts of the musicians

of this smaller work, his readiness to

assist them in their undertaking and his

pleasure at knowing that the chorus which

they were about to sing was composed

of men and women belonging to their own

immediate district.

Of the thirty six recits, airs, and choruses

we do not purpose writing a full account. A

very few of the songs had been made, made

by the same executive—Mr. G. W. Williams

who has been before taken part in works

promoted by the same executive—Mr. G. W.

Williams, who has been before taken part in

works promoted by the same executive—Mr. G.

works promoted by the same executive—Mr. G.

THE OULTON PANTOMIME.

The Christmas holidays have again been

made occasion of the annual entertainment

given by the children attending the Oulton

National School, whose clever performances

for years have been among the most popular

and well attended gatherings of the winter

season.

Mr. Boothroyd and his assistants bestow

upon this yearly production much labour and

thought, whilst the parents—always ready to

assist—render admirable aid in their willing-

ness to prepare the necessary outfit and

paraphernalia.

Of late years much of this, we believe, has

been borrowed, yet the parents are by any

means to be left out of reckoning in under-

standing these admirable children's plays.

This year Dick Whittington and His Cat

has been the great attraction, and for four

nights, besides at a matinee on Boxing day

and a special performance on Monday afternoon

the Harold Hall has echoed with merry song,

humorous patter and been the scene of gay

dress and posture contending for the

prize of the dramatic person.

Fairy Queen of the Night (whose mission is

to add the downward) J. Armstrong; Fairies

(Alty created) Messrs. W. Parmenter, J. Stead,

and J. M. Smith; and in obedience to their

Queen's commands, to human hearts take

happiness and joy and peace "E. Armstrong, H. Horn,

English, and the other children of the

Queen's court, to be a gold mine. He is

a clever cat, he's sleek and furry and fat."

F. Butterick; Mr. Fitzwarran (a rich London

Merchant who befriends Dick) B. Hirst; Alice

(the beautiful, slender girl) Miss M. Miller;

and the other children of the Queen's court,

to human hearts take happiness and joy and

peace "E. Armstrong, H. Horn, English, and

the other children of the Queen's court, to be

a gold mine. He is a clever cat, he's sleek

and furry and fat."

Queen's commands, to human hearts take

happiness and joy and peace "E. Armstrong, H. Horn,

English, and the other children of the

Queen's court, to be a gold mine. He is

The return engagement between the above

clubs took place at Castleford, on Saturday last. Rothwell were again poorly represented. Castleford were "over" their opponents during the opening stages. After twenty minutes' play Holmes scored from a penalty. The home forwards shot badly, but after a grand combination by McCredie and Soar, Little took advantage of an easy opening and scored. Buckley got nicely away, and after centring Little shot wide. Rudge sent in a good shot, which failed by inches. Castle

ford were leading by 2 goals to nil at half-time. The homesters were complete masters in the second half, adding three more goals to the list and secured an easy victory by 5 goals to nil. McCredie and Little were the scorers. Hargreaves and Bratley were the absentees.

HUNSLET ST. JOSEPH'S v. STOURTON UNITED.

These local rivals met at Nelson Fie

Hunslet, on Saturday, and a good game was witnessed. Arnold started for St. Joseph and keen midfield play followed. Each strove hard, but neither gained much advantage. McLaren put in some good work for the home team, as did Watson for Stourton. Franklin put the visitors in front with a goal from a penalty. At half-time the score was Stourton United 1 goal, Hunslet St. Joseph nil. In the second half, St. Joseph's had the best of matters and were successful in netting two goals and were eventually victorious.

ROTHWELL HAIGH v. HUNSLY ST. SILAS.

The above teams met on the Rothwell Haigh ground on Saturday afternoon last, in a re-played tie of the Nicholson Cup. The homesters were only moderately represented, whilst Silas had a very good team in the field. The contest was a good one, and finally ended in a draw.

The contest was a goal each. Wormald scored the homesters' goal, whilst from a corner kick planted by Umpley, one of the visitors found his way into his own goal. The game was interesting and exciting to the large number of spectators who were present.

EAST & WEST YORKSHIRE UNION RAILWAYS COMPANY.

NOTICE IS HEREBY GIVEN, that the HALF YEARLY GENERAL MEETING of the Proprietors of the East and West Yorkshire Union Railways Company will be held at the Hotel, Manchester, in the City of Leeds, on Thursday, 18th February, 1909, at 12 noon, for the transaction of the General Business of the said Company. Dated this 1st day of February, 1909.

ZACH. YEWDAHL, Chairman.

WM. HY. WILSON, Secretary.

Wade, Eli Dobson, and Chadwick. The Inspector presented his report, which was as follows:—During the past month 16 nuisances have been removed from the district. Of these 14 have been removed from December 31st to January 28th. Four houses have been disinfected. Eight canal boats have been inspected, one of which was found to be in a dangerous state. One cow was inspected and found to be in a dangerous state. Four samples of new milk have been taken in the Stourton district, which the Public Analyst certifies as "genuine" in quality, and that they were quite as clean as the majority of good milks obtainable under the present system of milking, as even the best milks delivered in the ordinary way to the public contain small amounts of sedimentary matter coming from the sides of the cans and apparently unpreventable by the present system of milking. The slaughter-houses and fish shops in the district have been visited, and were in a fairly satisfactory condition. Mr. First attended the Committee in regard to the taking over of Six Bank Cottage and the supply of water, and it was decided that a stand pipe should be fixed at Mr. Carter's property at a suitable place to be settled with the Surveyor. Resolved, that Mr. First's offer to construct a cesspool for Mr. Carter's property at a suitable place to be settled with the Surveyor. Resolved, that the Chairman of the Sanitary Committee and Mr. Wade, along with the Clerk, seek the opinion of the Surveyor in regard to the water supply at Dandy Bow and the isolated cottages along the canal, belonging to the Aire and Calder Navigation. Resolved, that the Committee be instructed to improve the water supply at a slaughter-house—Floor concrete, two doors built up, walls cemented, set pot removed or cemented, proper drainage, covered in, to be put and maintained in proper condition. Resolved, that the usual advertisements be inserted in two papers for nightsoil contract and general cleaning. The Committee was instructed to reply to correspondence in regard to the emptying of ashbins, and to ask Mr. Stephenson to provide accommodation for six weeks' ashbins. Objectively ashbins at Robin Hood, Louthouse, and Rothwell were reported, and the Inspector was instructed to write the owners and report to the next meeting. The Committee decided to consider all cases in the district where more than two houses were using one convenience and asked for a detailed report to be prepared. Mr. Squire Dobson proposed and Mr. Wade seconded the adoption of the following resolution:—That the Committee be instructed to consider all cases in the district where more than two houses were using one convenience and asked for a detailed report to be prepared. Mr. Squire Dobson proposed and Mr. Wade seconded the adoption of the following resolution:—That the Committee be instructed to consider all cases in the district where more than two houses were using one convenience and asked for a detailed report to be prepared.

Mr. Squire Dobson proposed and Mr. Wade seconded the adoption of the following resolution:

HUNSLET RURAL DISTRICT COUNCIL.

The monthly meeting of the above Council was held at the office, Glasgows Street, Hunslet, yesterday afternoon, there being present Messrs H. R. Knight (chairman), T. Thomas, J. P. Allison, W. H. Newsome, H. Hamer with the clerk, Mr. F. B. Carr.

The minutes of the previous meeting were presented for confirmation.

Mr. Newsome said he objected to the minutes on account of tender for new offices.

The Chairman: If they are a true record you cannot object.

Mr. Newsome said he objected to the spending of over £150 on the repairs, money which was not necessary, and he wanted to clear himself before his constituents.

Mr. Allison said he was not in favour at the time of giving £87 clear over the next year.

The Chairman said the question was all of order, whether the outlay in Mr. Simpkins' case would be beneficial. It was a matter of opinion. He gave the motion because he did not want to spend all the afternoon on the matter.

Mr. Thomas said it seemed to him that the opinion of Messrs Newsome and Allison was before any other members, and he hoped that their case would be laid properly before their constituents.

The Chairman: It is all out of order we will go on with the next business.

On the question of the contract to be sealed, with W. Simpkins, for the new offices the Chairman said that Mr. Newsome could now vote against.

The Clerk: It has been approved by the Council and only wanted signing. No one can vote against the contract now.

Mr. Thomas proposed Mr. Hamer seconded the signing of the contract. Together with these the Chairman voted in favour and Messrs Newsome and Allison were neutral.

The mortgage was also ordered to be sealed. The Clerk read a circular from the Carnegie Herod Fund Trust in which they asked for local authorities to give attention to persons who have been injured in heretic deeds and if the dependents of those who have lost their lives from such deeds.

The Clerk submitted a number of applications for the appointment of lamplighters for Oulton.

Mr. Newsome said he would like to move the appointment of B. Carter, of Oulton, who had previously done the work, but it was owing to having attended to his wife who was seriously ill. If they didn't give Carter the job again he was in a hole and would probably be thrown on the streets.

The Inspector (Mr. G. W. Stew) in answer to a question, said that Carter had done his work very badly, being late both in the lighting and extinguishing. Harry Cockerham, another applicant, had done the work very well.

Mr. Newsome: In my opinion it is not a young man's job.

Mr. Thomas: This is not a charitable organisation, there are other places to deal with such cases.

Mr. Hamer proposed and Mr. Thomas seconded the appointment of Cockerham, the applicant being chosen.

Mr. Newsome voted against.

On the question of incandescent lighting, Mr. Steel said the lamps at the night one were very satisfactory, the night one being preferable to the inverted.

Mr. Newsome said the cost by incandescent would be reduced about one half.

Mr. Newsome said the cost by incandescent would be reduced about one half.

The question was left over to the next meeting as to whether or not the whole district should be supplied with incandescent light.

Dr. Buck, medical officer, reported that during the last four weeks there had been 9 births (5 in Oulton and Woodlesford, 2 in Templenew and 2 in Middleton). Three cases of infectious disease (diphtheria) had been notified (2 in Oulton and Woodlesford and 1 in Templenew).

The Clerk read a letter from Mr. Farrer re sink pipes, in which he said that straight sinks emptying into ordinary gullies had been in vogue in the Oulton district for many years.

The Medical Officer said that if the sink pipes immediately come over a gully they should be trapped, but when there was a channel intervening they did not require lights.

Mr. Whitehead in answer to a question said that if there was an 18-inch channel they had been forced, but if it came straight over the gully they had to be trapped.

Mr. Whitehead reported that two notices had been given for sink pipes but he had agreed for them to stand over a short time. Final notice of over-crowding had been given in one case and a preliminary one in another.

The Clerk said he would be obliged to issue a summons on Tuesday if Mr. Whitehead's son did not remedy the over-crowding complained of before.

Mr. Thomas: Can we issue a summons if Mr. Whitehead cannot get another house.

The Clerk: We have no other alternative.

The Chairman: We are sorry if we are compelled to take extreme steps.

STOURTON ST ANDREW'S CHURCH BAZAAR.

A two days' bazaar, promoted by members of the above church, took place in the Institute, on Wednesday and Thursday, with the object of reducing the debt on the Church Institute. The large hall was prettily decorated and the stalls nicely arranged. Various attractions took place in the smaller rooms which were well patronised.

The stall-holders were as follows:— SENIOR SAVING SOCIETY STALL.—Mrs. White, Mrs. H. Storer, Mrs. Burgess, Mr. Hardy, and Mr. Storer.

JUNIOR SAVING SOCIETY STALL.—Miss A. Taylor, Miss N. Todd and Miss V. Hesp.

BRASSBAND STALL.—Mrs. Atkinson, Mrs. Richards, Mrs. Collins, Mrs. Mitchell, Mrs. Richards and Mrs. Turner.

SWEET STALL.—Misses Hughes, Miss Royals, Miss Gomersall and Mrs. H. Phillips.

BRANDY SONG STALL.—Sunday School Teachers.

ONE PENN STALL.—Mrs. Taylor, Mrs. Idle and Mrs. Firth.

There was also a cash machine in the reading room which was in charge of Mrs. Mothersdale, assisted by Miss Hilda Bromley, Miss Clegg, Miss Coggill, Miss Parker, Miss Wade, Miss Clegg, Miss Coggill, Miss Parker, Miss Wade, Miss Clegg, Miss Coggill, Miss Parker, Miss Wade.

Stronger and Better

"CARBOSIL" the modern household cleaner, is a brilliant water softener, bleacher, and washing soda in powder; it contains no soap, and does all that the old-fashioned washing soda and soap powders used to do, and does it better.

"CARBOSIL" is indispensable in the laundry and on washing days; it makes the hardest water as soft as rain water, helps the soap, bleaches white clothes, brightens up colours, and saves the rubbing. By its use there is no more worry or slavery attached to the cleansing of greasy knives, forks, dishes, kitchen tables, &c.

"CARBOSIL" the strong powdered soda, removes greasy stains instantly, cleanses and purifies with the least possible labour. Drains and sinks are kept sweet and pure by the free passage of the waste water containing the soda.

In 1d. and 2d. Packets.

£10,000 in Free Cash Gifts.

FOOTBALL

ROTHWELL WHITE ROSE V. MIFFIELD UNITED.

The return fixture between the above clubs in the West Yorkshire League took place at Rothwell, on Saturday last. Rothwell were again well represented, Harold Taylor, Joy and Ellis being brought into the team. The Miffield team was as follows:—Todd, goal; Wilkinson and Ellis, backs; Jackson, Duncanson, Hancock, Hedding and Ootterel. Rothwell kicked off, the visitors being the first to become dangerous, Jackson being off-side. Taylor put the ball nicely on to the wing, but Joy was too slow to make any headway. Miffield returned play into the home territory where Duncanson spilt a good movement by kicking the ball too far. Ellis broke away on the right wing and centred finely when Bratley in falling missed a splendid opportunity to score. Miffield saved an attack at the expense of a corner, and transferring play to the home end Duncanson was again given off-side. United tried hard to break down the home defence, but Heaton, Smith and Carless kicked well. Miffield had a fine off-side tactic, and Heaton safely held a shot by Hancock. Rothwell broke away grandly when Taylor was fouled and brought down by Finch. Miffield pressing, Heaton partly cleared and Hedding shot wide. From another attack by the visitors, Smith had his kick charged down, but Heaton fortunately came to the rescue. Rothwell had a turn of attacking and scoring, Miffield's defence being tight. Jackson got off on the wing and centred finely, but no one being up a good chance was lost. Miffield looked as if they were bound to score when Smith passed the player off the ball; the appeal for a penalty was not however upheld. From the succeeding corner the Rosettes broke away, and Ellis was roughly brought to the ground. Half-time was called with the score-sheet blank. Miffield restarted and made determined efforts to score, having two or three unsuccessful attempts. Rothwell retaliating, Ellis was given off-side in the danger zone. The home team's efforts were at last rewarded through the instrumentality of Taylor, who took the ball on to the goal line and put in a square centre which gave Bratley a gift of goal; the latter player accepted it easily. Todd, Miffield now renewed their efforts with vigour, and the home defence was fully extended to hold them in check. Rothwell at last broke away, Taylor sending in a long shot which was safely held by Todd. The United made another onslaught but were checked-back by Smith. Heaton cleared a shot, whilst Hedding with another attempt, which missed the coveted goal. The Rosettes now had a turn, when the visitors' goal had a lucky escape, Todd being fortunate in saving whilst out of goal. Rothwell had a penalty, but Taylor made a poor attempt with the place kick. The home team's defence, whilst Hancock kicked wide at the opposite end, Taylor and Ellis came down the field, and the latter centred, nicely Nayler added a second goal. Rothwell now had the game well in hand, Todd clearing a good shot whilst soon after they were given off-side. The visitors did not relax their efforts, but all their attempts were futile. The game ended in a win for the Rosettes by 2 goals to nil.

STOURTON UNITED V. ALLOETS UNITED.

These teams, who are making a close fight for the Leeds and District Senior League championship, met in the second round of the Leeds and District Cup Competition at Stourton on Saturday last, before a large crowd. Burnell started for the home team, and the opening stages were keenly fought, both goals being quickly rifled. Colley, Howroyd, and Butler participated in a smart dribble for Stourton, but Hopson in the visitors' rear, supplied a sure check. Alloets attacked strongly after this, and Beddows and Jones in turn tested Howroyd, who proved very safe. Burnell and Bedford next led a spirited movement for the Stourtonians, but Milia's shot missed the mark by inches. Attack and counter-attack were now delivered with much keenness, and the referee (Mr. Ritchie) had occasion to caution one of the visitors. A long dribble by Butler seemed likely to produce a score, and Howroyd sent in a hot shot. The ball rolled harmlessly across the goal mouth, however, and a further attempt by Milia to pierce the visitors' defence was also fruitless. From close play in front of the home goal, S. Hopson got possession, and sent in a fierce low shot, but again Howroyd cleared in fine style. As the interval approached, Alloets continued to attack with great vigour and persistence, but failed to make any impression. The whistle sounded for half-time with the score-sheet blank. On the resumption Stourton took up a strong attack, but Alloets defended well. Howroyd with an individual effort opened the scoring account, and the Alloets' left wing half, neglected him somewhat, and allowed the same player to reach another. These two goals were obtained from Stourton's only good chances, and by seizing them they gained the verdict by 2 goals to Alloets nil.

ALLOETS BYWATER V. WOODLESFORD.

The above teams met at Alloets on Saturday afternoon last, in the second round of the Leeds and District Cup Competition. The visitors had the better of the opening stages and scored after ten minutes play. Newton equalised, and at the interval the score was 1 each. On the resumption F Webb netted for the home team, whilst Woodlesford drew level. After some exciting play Alloets were awarded a penalty, and Webb gave them the lead. Alloets won by 3 goals to 2.

WADE CHARITY CUP.

The Committee of the Stourton, Thwaite Gate, and Woodhouse Hill Hospital Fund, with the approval of the donor (Councillor W. Wade), have decided to reconstruct the Cricket Cup Competition, and the Cup is to be known as the Licensed Victuallers' and Local Club's Charity Cup, to be competed for by clubs within a radius of five miles from Hunslet Church. The club winning the Cup three times in succession, or four times, in all, will be absolute possessors.

FUTURE OF THE CONTINENTS.

More than 100,000,000 of the general direction of travelling operations in France, urged the desirability of an international understanding for the study of the evolution and future changes of the surface of our globe. He roomed that in every country, two or three times in a century, fundamental measurements of level should be taken. These should be applied even to regions apparently perfectly stable. Thus future generations, by the study of the changes in the level of the sea, could be determined the elevations or lowerings of mountain chains, basins and coasts, and the probable rise or deepening of a sea in a world, would be able to predict the "future of the continents."

DO YOU COUGH?

KEATING'S LOZENGES

For Cough, Sore Throat, and all Lung Affections.

Keating's Lozenges are a most effective remedy for all the above complaints. They are made of pure sugar and are most palatable. They are sold in 15¢ and 25¢ tins.

KEATING'S LOZENGES

For Cough, Sore Throat, and all Lung Affections.

CLARKE'S BLOOD MIXTURE

THE
WORLD-FAMED BLOOD PURIFIER.
FOR cleansing and clearing the blood of all impurities from whatever cause arising. Clarke's Blood Mixture "cannot be bettered," is the best of all blood purifiers, and is the only one more popular than ever, the reason being undoubtedly because it is recognized throughout the world to be the only safe, reliable, and effective blood purifier. It is the only one that does not cause any of the dangerous effects of other blood purifiers, such as itching, swelling, and eruptions of the skin. It is the only one that does not cause any of the dangerous effects of other blood purifiers, such as itching, swelling, and eruptions of the skin. It is the only one that does not cause any of the dangerous effects of other blood purifiers, such as itching, swelling, and eruptions of the skin.

PERMANENT CURES
Skin & Blood Diseases
OF EVERY DESCRIPTION.

Peppermint Cure. Never fails. 1/14, 2/10

ROBIN HOOD UNITED METHODIST P.S.

Mr. W. Howarth presided over a good attendance on Sunday afternoon at the above P.S., collecting when Mr. G. W. Tyse, Horsforth, was the speaker, and he gave his address: "Sports: the Marathon Race." The soloist was Mr. S. M. Kennedy, principal bass at St. Michael's, Huddersley, who sang with fine expression and taste "Honour our Father, O ye sublimb men." Mr. J. Hartley accompanied.

ROTHERWELL OLD BAND.

The annual tea and dance promoted by the above Band was held in the Band Room on Saturday last, there being an excellent attendance at both gatherings. The ladies in charge of the tea were—Mrs Wm. Rodger, Mrs. H. Gibson, Mrs. H. Robinson, Mrs. Deane, Mrs. A. Pickersgill, Mrs. Wm. Fowler, Mrs. A. Westnead, and Mrs. T. Gill. Dancing took place in the evening. Mr. Sidney Bedford supplying the music, whilst songs were contributed by Messrs Evans, J. Chapman, W. Taylor and W. Faulkner.

As a safe, permanent, and warranted cure for Rheumatism, Gout, Gravel, Headache, and Blood Diseases, and Sore of all kinds, we can with confidence recommend CLARK'S WORLD-FAMOUS BLOOD MIXTURE. Sold by chemists everywhere.

WOODS' GREAT PEPPERMINT CURE

CLASS.

noon late in connection with the above when Mr. Cartwright presided over a capital congregation. The Rothwell Wesleyan manager, people's choir gave a capital rendering of the services of the above. The choir was composed of three men, and three women. Mr. Thompson was the conductor, while the accompaniments were played by Mrs W. Stephenson (organ) and Messrs S. Morton and Dowd (violins). Mrs T. Thompson read the narrative.

STOUBTOWN PRIMITIVE P.S.A.

There was a good attendance at the above service on Sunday last, when Mr. H. Vickers, man, of Hunslet, gave a capital address. Mr. T. Lambert presided Mr. H. Smith was the organist.

MAN AND THE DOG.

Dr. Woods Hutchinson expresses the opinion that instead of man adopting the dog into his service, the dog adopted man. He says that the mechanism of the process would appear to have been that a certain number of the more intelligent dogs, in the neighbourhood of the human habitation, found that it was more profitable to follow a man in his hunting expeditions and let him do the work of killing the animals than to hunt for themselves. The parts of the animal than it was to kill for food. As the dog followed the man, the man's hunting expeditions they gradually came to following him home; and finding that bones and offerings were made to him, they began to follow him picked up around these encampments, they began to follow him, and in the end they became a part of the tribe. In a little time, doubtless, man took the hint and after he had wound around him a pack of dogs, he found it was more profitable to let them do the work of killing the animals than to hunt for himself. In a little time, doubtless, man took the hint and after he had wound around him a pack of dogs, he found it was more profitable to let them do the work of killing the animals than to hunt for himself. In a little time, doubtless, man took the hint and after he had wound around him a pack of dogs, he found it was more profitable to let them do the work of killing the animals than to hunt for himself.

BURMESE WOMEN.

The Burmese woman does all the work, and the man takes the money as many as four times a week, each of whom has a separate house and keeps her lod in turn, when he comes that he has a house and a wife. The Burmese woman does all the work, and the man takes the money as many as four times a week, each of whom has a separate house and keeps her lod in turn, when he comes that he has a house and a wife. The Burmese woman does all the work, and the man takes the money as many as four times a week, each of whom has a separate house and keeps her lod in turn, when he comes that he has a house and a wife.

Dr. Woods Hutchinson expresses the opinion that instead of man adopting the dog into his family, the dog adopted man into his pack! The mechanism of the process would appear to have

found that a certain number of the more intelligent of the natives were not only hunters but also trackers. He found that it was more profitable to follow a trail than to hunt. He found that the natives in his hunting expeditions and let him do so. He found that the natives were not only hunters but also trackers. He found that it was more profitable to follow a trail than to hunt. He found that the natives in his hunting expeditions and let him do so.

SOMETHING FOR YOUNG FOLKS.
—
MALCOLM'S DEAR PIGGY.

[illegible]

A LITTLE BOY'S REPENTANCE.

Here is the story of a bright little boy who father tried to punish him. It commenced by his going to bed without saying good night to his mother, "said the little fellow: "you are a man, and I don't like you." At this the mother was angry, and she said he must go to his room, but he cried so bitterly that his mother came and comforted him. He told her how his papa says that you are sorry, and he will give you it. The little fellow approached his mother and said, "I am very sorry that you are such a bad father, and I am very sorry that you are such a bad man." Well, he never again said anything of the kind, except from laughing.

In a moment the little fellow, tired out with grief, was sobbing in his mother's arms, his head buried in her bosom—she caressing him and baring in her dress. "My darling piggy's lost!"

"Why, no, little one, he can't be lost," said the mother, smiling at the child's tears, and turning to my bedroom, "this morning." I thought you carried him back again to the nursery. Daddy will go and look for him."

"But Daddy left the room, and very soon came back with the precious pig."

"Oh, piggy! I've cried so for you," murmured Malcolm, as he fell asleep, hugging his pig.

MAUD'S FIRST DRIVE.

Those of you who have been fortunate enough to have a ride in a goat-carriage will understand how happy Maud was at having her first drive.

Maud was one day walking along the path with her mamma, and she saw a small cart drawn by goats. There was one or two little girls seated in it already for a drive.

Maud said, "Oh, mamma, do look! I want to be to ride in such a carriage."

"Would you like to ride in one of those rigger?" said mamma.

—Maudie's story.

THE GAME'S COMPLAINT.

Canary-birds feed on sugar and seed,
Parrots have to eat what they see feed;
And as for the poodles, they tell me the noodle,
Have chickens and cream for their lunch.

But there's never a question
About the digestion
Anything does for me!

Cats, you're aware, can repose in a chair,
Chickens can roost upon rails;

A little boy had a pony and a dog, and generosity was often tried by visitors asking him to show what he was mounting up to give one or both of his pets.

One day he told a gentleman present that he might have his dog, and the gentleman, much to the surprise of his host, who asked: "Why, Jacky, why didn't you give him my dog!"

"No, nothing—say nothing, mother. Where's my dog?"

Llamas are able to keep their
 heads and eyes closed in pain.
 But no one suspects it.
 A poor camel does—
 suspect he is being whipped me!
 Any place does for me!
 Lambs are encircled where it's never exposed,
 and are constructed for hens;
 Kittens are attracted to houses well heated,
 And pigs are protected by pens.
 But camel comes from the place
 Wherever it's sandy—sandy
 Wherever it's sandy—sandy

Anything does for me!

People would laugh if you rode a giraffe,
Or mounted the back of an ox.
It's nobody's habit to ride a rabbit,
Or try to bestride a fox.

But as for a camel, he's
Ridden by families
Any load does for me!

A snake is as round as a hole in the ground,
And weasels are wavy and sleek;

A little lad at prize school for a living is
a regular attendant at a Mission Sunday-school.
He was keenly disappointed when, at the annual
fete, his gift was a copy of Browning's poems.

JIMMIE'S PRIZE

ent announced that it might be pleased with
what it could have in exchange. Jimmie man-
aged to get the exchange. Jimmie said:
"What have you got there, Jimmie?"
"I have a piece of iron in exchange."
"Blackie!"
"Advice to Woman." This is often men's
prayer, generally. "I have a piece of iron
in exchange."

how is the thrifty housewife to buy these things so nice, when there's a hostful of coughing children and money is tight? 'Tis an easy answer: Buy Woods' Great Peppermint Cure for the children's coughs, and win \$250 by composing three verses.

HUNSLY RURAL DISTRICT COUNCIL.

The annual meeting of the above Council was held at the offices, Glasgow House, Hunsley, yesterday afternoon, there being in attendance Messrs H. R. Knight, (chairman), J. P. Allison, T. Thomas, H. Findlay, building inspector (Mr. P. O. Higgins), sanitary inspector (Mr. Whitehead), highway inspector (Mr. Nuttall), and medical officer (Dr. Buck).

On the motion of Mr. Allison seconded by Mr. Findlay it was agreed that Mr. Knight be re-elected chairman.

Mr. Nuttall said he objected to the appointment on the ground that the vice-chair should be a layman.

All votes in favour of the re-appointment with the exception of Mr. Nuttall.

Mr. Knight expressed his gratification at being again appointed.

Mr. Allison was appointed as vice-chairman on the motion of Messrs Thomas, H. Findlay, and J. P. Allison.

Two committees were appointed:—
Dairies and Cowsheeds Committee.—The whole Council.

Representative on Wakefield Small Pox Hospital Committee.—Mr. H. R. Knight.

Representative on Lennox Road Joint Sewage Committee.—Messrs Hamer, Thomas, Thomas, and Allison.

Rothwell Hospital Committee.—Messrs Thomas, Knight and Newsome.

Sanitary Committee.—The whole Council.

Fire Brigade Committee.—Representatives from Templewenny and Thorp Stapleton.

Mr. Nuttall said he objected to the constitution of the Private Street Works Committee. He was the only practical man on the Council and was not a member of it.

Mr. Hamer: Will you allow me to differ? Mr. Nuttall: I do not know the quality of material and I do.

The Chairman: There are certain reasons why you are not on it.

On the motion of Mr. Hamer and the chairman it was agreed that all the members of the Council with the exception of Mr. Nuttall should be on the Committee.

The roll-call of attendances shows that Mr. Hamer has attended all the 16 general and 14 committee meetings and Mr. Newsome 15 of 16 general and 18 out of 23 committees.

The Medical Officer reported that during the last 4 weeks there had been 19 births, 6 in Oulton and Woodlesford, 10 in Templewenny, 3 in Middleton, and 2 in Thorp Stapleton.

There had been 2 cases of diphtheria notified, 1 in Templewenny and 1 in Middleton; 1 case of typhoid and 1 case of erysipelas, both at Woodlesford.

In dealing with the annual report the Medical Officer said it was the most satisfactory report he had been able to produce.

Mr. Nuttall raised the question as to whether samples of milk could be got on the highway and if prosecuted could be taken from the samples so taken.

The Medical Officer recommended that a veterinary surgeon be appointed to go round with him and inspect all the cowsheds in the district.

Mr. Thomas asked Mr. Nuttall what he knew about cowsheds.

Mr. Allison thought the cow-sheds were handicapped enough.

Mr. Nuttall said he was subject to the building inspector coming every day in the week and he paid rates as much as the farmers. Why should one be exempt and not another when they were all ratepayers?

Mr. Thomas proposed and Mr. Allison seconded that the Medical Officer have the power to call in the assistance of a veterinary surgeon when required. This was agreed to.

The estimate of general expenses for the half-year ending 30th December 1909 was:—salaries £230, establishment expenses £100, travelling expenses £20, travelling expenses £10, deputations £20, hospital and infectious diseases £100, miscellaneous £10, total £280.

The apportionment was:—
Oulton & Woodlesford £176 7 2
Templewenny £185 5 2
Middleton £105 5 2
Thorp Stapleton £114 4 2

Total £280 2 2
The estimate of highway expenses as per surveyor's estimate is £125 2 2, and apportionment:—
Middleton £217 2 2
Oulton & Woodlesford £218 2 2
Templewenny £219 2 2
Thorp Stapleton £219 2 2

The estimate of special expenses were:—Middleton £200, Oulton & Woodlesford £250, Templewenny £310, Thorp Stapleton £250, and the proposed calls was Middleton £180, Oulton & Woodlesford £220, Templewenny £270, Thorp Stapleton £240.

The estimates were approved on the motion of Messrs Nuttall and Allison.

The Clerk reported that the Local Government Board had sanctioned the supplemental loan of £200 for new offices.

A letter was read from the County Council re stage plays at Hunsley Hall, Oulton; the Council raised no objection.

In further consideration of street lighting, Mr. Hamer said that half the lamps in Oulton and Woodlesford were not worth connecting into incandescents. The expense of new lamps ought to spread over a period of 3 years; he thought new lamps should be put in the district at the expense of new lamps to that effect.

The Chairman seconded, and the resolution was carried.

The Clerk said that the Order of the Local Government Board giving them further urban powers would come into force on the 19th inst.

The Clerk reported that he had received no reply from the Rothwell Urban District Council re the Lennox Road Sewage Works.

He was instructed to write Mr. Nuttall, asking why the latter had not been answered, and to inform the members that he had not been summoned to attend any meeting or informed of the conclusions come to.

Plans were approved for a new engine house at Woodlesford Brewery.

It was decided to purchase a motor warning sign for the bottom of Station Lane, Woodlesford.

sign for the bottom of Station Lane, Woodlesford.

The Clerk in reporting the death of the late Mr. J. Cockerham, paid high tribute to the deceased, saying he had never found an officer who was more painstaking and accurate in his accounts: it was a pleasure to deal with his books.

The Chairman confirmed what he had said at the Guardians' meeting, and said he was a good officer, and that his books were a pattern to many other collectors. He proposed a vote of condolence be passed with the family.

Mr. Allison having seconded, the motion was carried.

On the question of appointment of successor being asked, Mr. Hamer proposed and Mr. Thomas seconded that the matter be deferred.

An application for license to store petroleum was made by Mr. A. Sharpe, of Oulton; it was left over.

The Treasurer reported a balance of £683 6s. 9d.

ROTHWELL WESLEYAN SUNDAY SCHOOL UNION.

The annual meeting of the above Union was held at Carlton, on Good Friday, there being a numerous attendance representing the 9 schools in the Union.

The Rev. T. Arrowsmith, superintendent minister, presided.

The following officials were elected for the ensuing year:—Rev. T. Arrowsmith, president; Mr. W. Stephenson, treasurer; Mr. J. Abbot, secretary; Mr. L. Brown, visitors; Messrs J. Goodall, J. Abbot, H. Armitage, S. Siddons, S. Armitage, C. Armitage, H. Goodall, T. B. Parker (Normanton), M. Bevers, H. Newsome, E. G. Smith (Alloft), G. Ashton, J. Hirst, T. Wilcock (Oulton), J. G. Smith, and J. P. Allison.

Reports on the visitation of the schools were submitted and discussed.

It was agreed that the Autumn convention be held at Carlton, on Good Friday, there being a numerous attendance representing the 9 schools in the Union.

The Rev. T. Arrowsmith, superintendent minister, presided.

MARRIAGE OF MR. J. E. BABER AND MISS M. E. DACRE.

On Saturday afternoon last, in beautiful weather, the marriage took place at Holy Trinity Church, Rothwell, of Mr. James Edgar Baber, youngest son of Mr. Samuel Baber, of Somerset, and Miss Martha Elizabeth Dacre, the adopted daughter of Mr. & Mrs. J. W. W. Bray, of Marsh Street, Leeds.

The ceremony was performed by the Rev. E. T. Sankey.

The bride wore a pretty dress of cream cashmere trimmed with satin of the same colour and orange blossom, and white chip hat with white veil.

The bridesmaids (Miss Edith Dacre and Miss Florence Lake. The first named was dressed in pale blue flowered veil with cream lace trimmings and pale blue velvet dress and wore a black and white hat with ostrich feathers.

Miss Lake's dress was of pale blue velvet trimmed with dark blue silk, and her hat was of black and white velvet with ostrich feathers.

Friday, April 23, 1909.ROTHWELL DISTRICT
COUNCIL.
APPOINTMENT OF CHAIRMAN, VICE-
CHAIRMAN AND COMMITTEES.
The first meeting of the new Council was
held on Monday evening last, at the offices
Rothwell, there being in attendance Mrs. S. R.
Chadwick, W. Wade, W. Lunn, James Horner,
J. W. H. Hemmingsworth, Squire Dobson, J.
Armitage, W. E. Richardson, J. H. Gordon,
John Dobson, J. W. Volland, Eli Dobson, W.
Abbishaw, James Armitage, G. W. Blakey,
with the clerk (Mr. Dodgson) and surveyor
(Mr. Sisson).The Clerk said the first business was the
appointment of Chairman, whereupon Mr. James
Horner proposed Mr. W. Lunn.
Mr. Wade said he had no objection to Mr.
Lunn, but he had pleasure in moving Mr.
Chadwick. It took at least half a year to get
to know the business and he thought the
office ought not to be changed this year.
Mr. Abbishaw seconded and Mr. Richardson
supported.
The motion was carried with Messrs Lunn,
Horner, Squire, Dobson, and Wade.Mr. Chadwick thanked the members for
again electing him to the chair. He believed
in all subjects being thoroughly thrashed to
the bottom. He had said he had given
the matter his full consideration, but he had
heard to all parties and impartial judgment.
VICE CHAIR.
Mr. W. Wade was re-elected vice-chairman
on the motion of Messrs Hemmingsworth and
Gordon.ELECTION OF COMMITTEES.
The following committees were elected:—
Highways and Bridges.—Messrs W. Abbishaw,
chairman (Highways) John Dobson, (chairman
Finance), J. W. H. Hemmingsworth, W. Lunn
and G. Armitage.
Mr. Lunn said he would like to propose a
representative in place of one of the
Carlton representatives of whom there were
two. It was immaterial to him which of
them gave way.
Mr. Abbishaw said that Lothousen was not
left out in the cold as they had the Chairman
on the Committee ex-officio.
Sanitary & Building.—Messrs S. R. Chadwick
chairman (Sanitary), J. H. Gordon (chairman
Building), S. Dobson, W. Wade, and
Eli Dobson.
Water & Gas.—Messrs James Armitage,
chairman (Water), G. W. Blakey (chairman
Gas), J. W. Volland, W. E. Richardson and J.
Horner.
Rothwell, Mashley, and Hunsllet Joint Isolation
Hospital.—Mr. Chadwick.
Lemonogry Joint.—Messrs Chadwick, Squire
Dobson, Wade, Gordon, and Eli Dobson.
Managers of Provided School.—Messrs J.
Dobson, Volland, Lunn and Chadwick.
Rothwell Non-Provided.—Mr. J. Armitage,
Lothousen Non-Provided.—Mr. Chadwick.
Ward Allowances.—The members for each
ward.
Seats.—Messrs J. Armitage, Blakey, Lunn,
Volland, S. Dobson and Horner.
Small Holdings and Allotments.—Messrs
J. Armitage, Lunn, Gordon, Volland and S.
Dobson.
BIOHER EDUCATION.
Mr. Lunn asked why they required this
Committee.
The Clerk: Because this Committee has
control of the special rate of 1d in the £, and
has to consider the question of spending the
same.Mr. J. Armitage recommended the Com-
mittee to look more after the ratepayers' in-
terest and provide the classes where they were
only necessary.
Mr. J. Dobson said the Committee were not
deserving all the blame. They forgot who
put on the 2d 6d fee instead of 1d. They had
done their best and could not carry on the
evening schools without a loss.
Mr. Lunn said he had no objection to any
money spent on education. It was the best
spent money the Council had to deal with.
He had spent money on those who required it,
but they objected to the 2d 6d fee. There
would be more students if the classes were
free and more in a line with the day schools.
He did not see any reasonable objection to a
centre for special classes.
Mr. Volland said they would have been
involved in more debt if the mining classes at
Stourton had been carried on. He agreed that
where they had not sufficient pupils a
central class should be provided.
The Chairman said the resolution
passed at last meeting for the laying of a
3d rate, he had ascertained that the Rothwell
Council could realise £119 5s, Thorpe £19
3s 6d, and Lothousen £24 17s 9d, a total of
£187 6s 6d which could be distributed over
two periods. It required a resolution for the
signing of a precept for a call and they should
state as to what should be paid.
A resolution was passed that the rate be
paid by the 30th of June.
The Chairman said the ambulance classes
were being raised, but he thought
raising the fee to 2d 6d had been the cause
of some of the classes not paying.
Mr. G. Armitage said he was against schools
being provided at the doorstep.
Whether they wanted to come or not. They
had facilities whereby they could get to Leeds
for any special subject. They as a Council
ought to have known about this call going
on without the Committee carrying out the
schools at a loss in some cases of £22 per week.
The whole Council were elected as the
Higher Education Committee.Mr. G. Armitage said that during the recent
election statement had been made at a public
meeting that officials of the Council had had
great difficulty in carrying out their work
owing to certain members of the Council
carrying information to the Aire & Calder
authorities. He had found out that the charge
had been laid against the Council family.
He would like to know who had been the
means of making these statements. They
(Messrs G. Armitage & Sons) had been meet-
ing the Aire & Calder Co. on business matters
and he asked if either he or his brother had
taken any private matter of the Council to the
Aire & Calder; they should lay the charge
properly.
Mr. Hemmingsworth said if he had known
Mr. G. Armitage or anybody else on the
Committee had been giving private information
he for one would have refused to sit on the
same committee.
Mr. Lunn said statements had been made in
that room that somebody was carrying private
information.
Mr. J. Armitage said he wanted to know
why he had not been called to the two last
Aire & Calder committee meetings when he
had been specially asked to sit on that com-
mittee.
The Clerk in reply to Mr. J. Armitage
said the Aire & Calder Committee had been
appointed to deal with the petition, but as
soon as the Council had decided to withdraw
from the Aire & Calder, the Committee had
Sanitary Committee to deal with the sewage
question.
Mr. Lunn said a statement had come from
the Aire & Calder office that they knew of
this. He said that occurred in committee at Rothwell.
He said any member of the Council to prove
that he had charged any member personally.
But he thought it was there but should be removed
at the first opportunity.
Mr. G. Armitage asked on what grounds
and who was responsible for making these
statements. He thought it would be better to
mention names than tell a public meeting
that such statements had been made. It was
a stab in the back and a deplorable business.
He wanted to know if the Clerk had given out
the statements. If facts and statements had
been made public by the Clerk, he wanted to
know who had given the information and on
what ground he was at liberty to form
any conclusion he liked and he would state
these whenever he thought fit.
Mr. J. Armitage & Sons had tried to
favor the Aire & Calder.
The Clerk said when he was negotiating
with Mr. Hopkins certain statements had
been made in his office, and he reported them
to the Sanitary Committee and he advised
them to be careful of not carrying out into
public their committee business.
Mr. G. Armitage said he did not see anybody
on the Council was a relation of Mr. Hopkins
but he would say that he had neither seen
Mr. Hopkins or any of his officials for a great
length of time.
Mr. Lunn: It looks as if someone had
put the cap on.
Mr. J. Armitage said if he had done such
a business he would not be sitting there.
The Chairman said he was going from com-
mittees to the Sanitary Committee.
Mr. Lunn proposed that this business be
left over to the ordinary Council meeting.
Mr. J. Armitage said the Post Office is open
in the morning for anyone to fetch their
letters.
Mr. Lunn said he was opposed to any
delivery on Sunday morning.
He was not a conscientious person as he
probably did not of his private work on
Sundays. They could be supplied with their
letters between 8 and 10 a.m.
Mr. J. Armitage said Mr. Lunn ought to
be consistent in his arguments. He was a
supporter of 8 hours labour, and then he
practically acknowledged working every day
in the week.Mr. Hemmingsworth seconded.
If Blakey said he thought Mr. Lunn was
in favour of the unemployed. If it meant
the postal officials working seven days a week
they should find employment for other men.
On the resolution proposed was voted in
favour of Messrs J. Dobson, Wade, Blakey,
and Hemmingsworth. Against, Messrs Horner,
Lunn, Richardson, and J. Armitage.
The Chairman gave his casting vote in
favour of the resolution.HUNSLLET BOARD OF
GUARDIANS.
The annual meeting of the above Board
was held on Wednesday afternoon, at the
offices, Hunsllet, there being in attendance Mr.
T. Park (chairman) presiding, Mr. W. Hollings
(vice-chairman), Mr. M. J. Dillan, Mrs.
D. Jackson, Mr. Killingbeck, Messrs Green,
Wilson, Bulmer, Butterick, Schofield, Knight,
Thomas, Hamer, Allister, Armistead, Eddison,
Conyers, Fountain, Harlow, Newsome, Good,
Bash, Burrell, and the clerk (Mr. Mee) and an
assistant clerk (Mr. Ward).ELECTIONS.
The first business was the election of a
chairman and Mr. Butterick proposed and Mr.
Wilson seconded the appointment of Mr. W.
Hollings, their vice-chairman.
This was supported by Father Dillan and
Mr. Green, and unanimously adopted.
Hollings in taking the chair of honour said
he acknowledged the kindly remarks made.
Mr. Butterick then proposed a vote of
thanks to the retiring Chairman for his services
during the past twelve months.
Mr. Park had made an excellent chairman, getting
into the saddle straight away and running
through without a fall.
The Chairman seconded the motion, which
was also spoken to by numerous members
who freely acknowledged Mr. Park's capabil-
ities as displayed in the position he had just
vacated.
A similar motion was accorded the Vice-
Chairman.
Mr. Butterick then proposed for the vice-
clerk Mr. W. Hollings.
Mr. Green seconded.
A number of members having spoken in
support, the motion was unanimously adopted.
Mr. Schofield returned thanks for the honour
conferred upon him.
The tell-tale of attendances at general and
Committee meetings for the past twelve months
was submitted and shows the following partic-
ulars:—

	Possible.	Actual.
Armistead	4	4
Dillon	1	1
Green	11	67
Hollings	63	67
Killingbeck	35	35

Bulmer	125	88
Dickenson	81	68
Park	40	4
Knights	50	10
Allison	50	10

The following is the attendance of the
ladies at the Visiting Committee.—Mrs. Bran-
ham 14, Mrs. Hirst, Mrs. Lawson 2, Mrs.
Price 1, Mrs. Bowley 17, Miss Stocks 15, Mrs.
Thackrah 14, Mrs. Wade 9.
The most important Committees elected
were:—
Assessment.—Messrs Barratt, Butterick,
Eddison, Green, Hamer, Hollings, Harlow,
Knight, Park, Schofield, Thomas, Conyers,
Finance.—Messrs Bulmer, Butterick, Bash,
Burrell, Fountain, Good, Newsome, Park,
Schofield, Wilson.
Workhouse Visiting Committee.—Messrs
Barratt, Butterick, Dillon, Green, Harlow,
Newsome, Park, Thomas, Wilson, Mrs. Dick-
enson.
Mrs. Killingbeck asked why she had been
left out of the Committee.
Children's Committee.—Messrs Armistead, But-
terick, Conyers, Eddison, Hamer, Schofield,
Dillon, Park, Green, and Mrs. Dickenson.
Property & Building Committee.—Messrs
Barratt, Conyers, Eddison, Green, Knight,
Dillon, Park, Schofield.
Mrs. Killingbeck and Messrs Bulmer and
Fountain were proposed for some of the
Committees but declined to stand.
YAGERS.
The Master reported the relief of 197
vagrants during the past fortnight against 130
for the same time a year ago.
At a meeting of the Property and Buildings
Committee the engineer reported that the
bore hole water trials had resulted in 1975
gallons being secured in the hour after twelve
p.m. in March, and in the first half of the
hardness as shown by analysis, and it was
agreed that the further consideration of the
subject be deferred until Mr. Whately was
able to attend.
The minutes were approved.
On the question of the appointment of a
collector for Oulton and Woodfield coming
under consideration it was reported that the
Special Committee appointed to deal with the
matter had recommended the Board to adver-
tise for applicants from 25 years of age to 40.
The minutes were presented for confirmation, that
the age limit be increased to 45.
This amendment was agreed to, further
amendments were proposed by Mr. Butterick
and Mr. Hamer to do away altogether with
the maximum age being deferred.
Accounts were passed for payment amount-
ing to £24 17s 9d.
Albina Robinson was appointed assistant
cook at the Workhouse at £22 per annum.
At a meeting of the Workhouse Visiting
Committee the offer of Mr. Fielding for
supplying milk and salt at 55s each was
accepted.HUNSLET RURAL DISTRICT
COUNCIL.
THE HEALTH OF THE DISTRICT.
We take the following extracts from the
Medical Officer's report submitted to the
above Council at its last meeting:—
In submitting my annual report for 1908
for your consideration I would draw your
attention to the fact that, owing to a change
in the sub-registration districts during the
year, it has been necessary to re-arrange the
separate localities.
In place of the old sub-registration districts
of Whittick (including Templenewsum, Thorp
Stapleton and Oulton-with-Woodfield) and
Middleton, I have adopted for statistical pur-
poses the separate Parishes of Oulton-with-
Woodfield, Templenewsum (with Thorp
Stapleton), and Middleton.
BIRTHS.—There have been registered in
the whole district during the year 226 births
—112 males and 114 females. Of these, 140
Oulton-with-Woodfield has contributed 97,
Templenewsum with Thorp Stapleton 85,
and Middleton 44. Estimating the population
to Midsummer of 1908 at 7,172, the
birth-rate of 1908 is 3.1 per thousand of the
population, against 27.38 for 1907. The
birth-rate for England and Wales for 1908 is
26.5, and the average for the decade 1908-
1917 is 24.6. During the year 1908, 14,365
births were registered, being 16.7 for the
decade 1898-1907, 15.12, and for England
and Wales in 1908, 14.7.
The corrected death-rate for Oulton-with-
Woodfield is 12.62, for Templenewsum
16.96, and for Middleton 13.93.
INFANTILE MORTALITY.—There were regis-
tered 18 deaths in children under 1 year of
age during the year, the rate being 84, and
births registered, that for 1907 being 123, for
the decade 1898-1907, 134, and for England
and Wales for 1908, 121.
Considering the fact that out of 226 child-
ren born alive, 18 only have failed to attain
the age of 12 months, that of these, 15 of
the deaths may be attributed to non-preventable
causes, and that the rate is becoming more
urban in its character every year the above
figures are remarkably satisfactory and require
no further comment on my part.
ZYMOTIC DISEASES.—There were 9 deaths
registered from the principal epidemic dis-
eases.—Measles 1, whooping cough 4, diphi-
theria 1, diphtheria 2, erysipelas 1. The
zymotic death-rate is 1.25 per thousand of
the population, this being 84, and that of
England and Wales 1.29. This rate, though
higher than in 1907, is still below the
average, the increase being due to the preva-
lence of whooping cough in the first half of
the year. There were no deaths registered
from scarlet fever.
WATER SUPPLY.—The water supply of the
district continues to be satisfactory both as to
quality and quantity, with the exception of
Middleton, where some intermittency in the
supply has taken place. 450 yards of 3 inch
pipes have been laid in Oulton-with-Wood-
field.
SEWERAGE AND SANITARY WORK.—The
effluent at the Hallon Sewage Works has not
been quite satisfactory towards the latter end
of the year. This I think, to a great
extent due to the badly constructed walls of
the live old second contact beds which require
rebuilding and replastering of the coke breeze
in the same.
Four hundred and thirty yards of 8 inch
sewers have been put down.
Several complaints have again been made
as to a nuisance arising from the Crowsgates
Sewage Works. Observations have been
taken and reports made on the matter which
will probably lead to some satisfactory result.
The infant departments of the Woodfield
and Hallon schools were closed in June
owing to the prevalence of measles, whooping
cough, and chicken pox. Special reports
were made on the subject at the time.
Two hundred and twenty-four nuisances
have been reported with 45 in hand from
1907. (A large number of these are in con-
nection with the House of the Council in
Oulton.) Of these 224, 132 have been
abated, 116 being carried over from 1908.
One hundred and five legal notices for the
abatement of nuisances were served with legal
proceedings in one case.
HOUSE-TO-HOUSE INSPECTION.—The whole
district was divided into 5 sections according
to locality.
The total number of houses in the district
is 271, all of which were occupied at the
time of inspection, with one exception.
Of the 271 houses, 153 were found to have
some defect, the majority being of some
trivial nature.
OVERCROWDING.—Eleven houses were
measured up where there was any suspicion
of overcrowding, and of these only two were
found to be in excess of the standard limit.
In several of the remaining houses although they possess
the necessary cubic space according to law,yet they are morally overcrowded, and some
pressure directly or indirectly should be
brought to bear on them.
Preliminary notices have been served and it
is highly gratifying to find with one or two
trifling exceptions the requirements have all
been complied with.
All the most important defects have been
worked up at its last meeting.
In submitting my annual report for 1908
for your consideration I would draw your
attention to the fact that, owing to a change
in the sub-registration districts during the
year, it has been necessary to re-arrange the
separate localities.
In place of the old sub-registration districts
of Whittick (including Templenewsum, Thorp
Stapleton and Oulton-with-Woodfield) and
Middleton, I have adopted for statistical pur-
poses the separate Parishes of Oulton-with-
Woodfield, Templenewsum (with Thorp
Stapleton), and Middleton.
BIRTHS.—There have been registered in
the whole district during the year 226 births
—112 males and 114 females. Of these, 140
Oulton-with-Woodfield has contributed 97,
Templenewsum with Thorp Stapleton 85,
and Middleton 44. Estimating the population
to Midsummer of 1908 at 7,172, the
birth-rate of 1908 is 3.1 per thousand of the
population, against 27.38 for 1907. The
birth-rate for England and Wales for 1908 is
26.5, and the average for the decade 1908-
1917 is 24.6. During the year 1908, 14,365
births were registered, being 16.7 for the
decade 1898-1907, 15.12, and for England
and Wales in 1908, 14.7.
The corrected death-rate for Oulton-with-
Woodfield is 12.62, for Templenewsum
16.96, and for Middleton 13.93.
INFANTILE MORTALITY.—There were regis-
tered 18 deaths in children under 1 year of
age during the year, the rate being 84, and
births registered, that for 1907 being 123, for
the decade 1898-1907, 134, and for England
and Wales for 1908, 121.
Considering the fact that out of 226 child-
ren born alive, 18 only have failed to attain
the age of 12 months, that of these, 15 of
the deaths may be attributed to non-preventable
causes, and that the rate is becoming more
urban in its character every year the above
figures are remarkably satisfactory and require
no further comment on my part.
ZYMOTIC DISEASES.—There were 9 deaths
registered from the principal epidemic dis-
eases.—Measles 1, whooping cough 4, diphi-
theria 1, diphtheria 2, erysipelas 1. The
zymotic death-rate is 1.25 per thousand of
the population, this being 84, and that of
England and Wales 1.29. This rate, though
higher than in 1907, is still below the
average, the increase being due to the preva-
lence of whooping cough in the first half of
the year. There were no deaths registered
from scarlet fever.
WATER SUPPLY.—The water supply of the
district continues to be satisfactory both as to
quality and quantity, with the exception of
Middleton, where some intermittency in the
supply has taken place. 450 yards of 3 inch
pipes have been laid in Oulton-with-Wood-
field.
SEWERAGE AND SANITARY WORK.—The
effluent at the Hallon Sewage Works has not
been quite satisfactory towards the latter end
of the year. This I think, to a great
extent due to the badly constructed walls of
the live old second contact beds which require
rebuilding and replastering of the coke breeze
in the same.
Four hundred and thirty yards of 8 inch
sewers have been put down.
Several complaints have again been made
as to a nuisance arising from the Crowsgates
Sewage Works. Observations have been
taken and reports made on the matter which
will probably lead to some satisfactory result.
The infant departments of the Woodfield
and Hallon schools were closed in June
owing to the prevalence of measles, whooping
cough, and chicken pox. Special reports
were made on the subject at the time.
Two hundred and twenty-four nuisances
have been reported with 45 in hand from
1907. (A large number of these are in con-
nection with the House of the Council in
Oulton.) Of these 224, 132 have been
abated, 116 being carried over from 1908.
One hundred and five legal notices for the
abatement of nuisances were served with legal
proceedings in one case.
HOUSE-TO-HOUSE INSPECTION.—The whole
district was divided into 5 sections according
to locality.
The total number of houses in the district
is 271, all of which were occupied at the
time of inspection, with one exception.
Of the 271 houses, 153 were found to have
some defect, the majority being of some
trivial nature.
OVERCROWDING.—Eleven houses were
measured up where there was any suspicion
of overcrowding, and of these only two were
found to be in excess of the standard limit.
In several of the remaining houses although they possess
the necessary cubic space according to law,yet they are morally overcrowded, and some
pressure directly or indirectly should be
brought to bear on them.
Preliminary notices have been served and it
is highly gratifying to find with one or two
trifling exceptions the requirements have all
been complied with.
All the most important defects have been
worked up at its last meeting.
In submitting my annual report for 1908
for your consideration I would draw your
attention to the fact that, owing to a change
in the sub-registration districts during the
year, it has been necessary to re-arrange the
separate localities.
In place of the old sub-registration districts
of Whittick (including Templenewsum, Thorp
Stapleton and Oulton-with-Woodfield) and
Middleton, I have adopted for statistical pur-
poses the separate Parishes of Oulton-with-
Woodfield, Templenewsum (with Thorp
Stapleton), and Middleton.
BIRTHS.—There have been registered in
the whole district during the year 226 births
—112 males and 114 females. Of these, 140
Oulton-with-Woodfield has contributed 97,
Templenewsum with Thorp Stapleton 85,
and Middleton 44. Estimating the population
to Midsummer of 1908 at 7,172, the
birth-rate of 1908 is 3.1 per thousand of the
population, against 27.38 for 1907. The
birth-rate for England and Wales for 1908 is
26.5, and the average for the decade 1908-
1917 is 24.6. During the year 1908, 14,365
births were registered, being 16.7 for the
decade 1898-1907, 15.12, and for England
and Wales in 1908, 14.7.
The corrected death-rate for Oulton-with-
Woodfield is 12.62, for Templenewsum
16.96, and for Middleton 13.93.
INFANTILE MORTALITY.—There were regis-
tered 18 deaths in children under 1 year of
age during the year, the rate being 84, and
births registered, that for 1907 being 123, for
the decade 1898-1907, 134, and for England
and Wales for 1908, 121.
Considering the fact that out of 226 child-
ren born alive, 18 only have failed to attain
the age of 12 months, that of these, 15 of
the deaths may be attributed to non-preventable
causes, and that the rate is becoming more
urban in its character every year the above
figures are remarkably satisfactory and require
no further comment on my part.

Friday, May 14, 1909.

HUNTSLEY RURAL DISTRICT COUNCIL.

A monthly meeting of the above Council was held at the offices, Glasshouse Street, Hunstley, yesterday afternoon, there being in attendance Messrs H. Knight (chairman), J. E. Allison, J. E. Thomas, W. B. Newsome, G. Morrill, H. Hamer, with the clerk (Mr. Pinder), surveyor (Mr. Nuttall), building inspector (Mr. P. O. Higgins), and nuisance inspector (Mr. Whitaker).

On the motion of Mr. Hamer seconded by the Chairman it was decided that the questions by the Welsbach Co. for burners and the Oley Incandescent Co. for anti-vibrators be accepted.

Mr. Knight suggested that for the next lighted season incandescent lights be fitted to lamps in Aberford Road from the Brewery to Methley Lane end (37 lamps), Church Street Woodlesford (2), and Station Lane, Woodlesford (6).

Mr. Newsome thought that Calverley Road ought to be lighted instead of the last portion of Aberford Road.

The Clerk submitted a sample of a lamp for the Oley Co. which was quoted at 17s 6d per lamp; the present lamps had cost 14s 6d.

A meeting of the Sanitary Committee the Medical Officer submitted his report on insanitary conditions at Bell Lane and recommended considerable improvements and alterations.

It was decided to notify the owners to repair gullies and sink pipes, fix upouts on all the houses, reconstruct privies and alsheds and to make clearance of all the old dilapidated outbuildings.

The minutes were approved.

The Clerk read a letter from the Rothwell Urban District Council in reply to the application for the extension of the Lemnord Sewage Works. The letter stated that the Rothwell Council do not propose to purchase the site at Lemnord.

The Chairman does he say anything about notifying our representatives?

The Clerk: No.

Mr. Morrill proposed and Mr. Allison seconded that the Clerk write asking that their representatives be notified of all future meetings.

It was decided that the Chairman Mr. Allison and the Clerk attend the annual meeting and conference of the Rural District Council's Association in London.

The Chairman, Mr. Thomas and Mr. Morrill were appointed a committee to visit the West Riding District Council's Association Conference in Leeds on May 25th.

The Medical Officer reported that during the past 4 weeks there had been 15 birds, (5 in Oulton and Woodlesford, 9 in Templewasm and 1 in Middleton) and 10 deaths (4 in Oulton and Woodlesford, 5 in Templewasm, and 1 in Middleton). Two cases of infectious disease had been notified, 1 erysipelas at Middleton and 1 of typhoid at Oulton and Woodlesford which had been removed to hospital.

The Clerk read a letter from Miss Cockerham, of Oulton, expressing thanks for the Council's letter of sympathy in their said bereavement.

APPOINTMENT OF WATER RENT COLLECTOR.

For the above appointment at Oulton and Woodlesford, Mr. A. Sharpe, of Oulton, and Mr. Cyril Baty, of Rothwell, had made application.

Mr. Thomas proposed and Mr. Morrill seconded the appointment of Mr. Cyril Baty, and Mr. Hamer and Mr. Allison, Mr. Sharpe, There voted in favour of each candidate, besides the nominators, Mr. Newsome for the proposition and the Chairman for the amendment. The Chairman gave his casting vote in favour of Mr. Sharpe and on a substantive motion being put it was carried nem. con.

An application by Mr. A. Sharpe to store petrol was granted at the rate of 1s per year.

Mr. Nicholson and Mr. Mande attended as a deputation from the owners at Middleton in regard to the Medical Officer's report, and agreed to carry out main of the requirements. It was decided that Mr. Pilling, of Leeds, on behalf of the owners submit a scheme of the proposed drainage to the Council for their next meeting.

Plans were approved for converting 1 house into two at Water High Farm at Oulton by Messrs. Briggs & Co.; and for six through houses in Eshale Lane by Messrs G. Armitage & Sons, subject to the approved plan of drainage and back streets.

A letter was read from Mr. J. Rhodes, of Oulton, making application for the use of the Council's cemetery for the emptying of a cesspool at Oulton.

It was decided that the Council empty the cesspool at a price to be mutually agreed upon.

The Treasurer reported a balance in hand of £31 6s.

ROTHWELL PRIMITIVE P.S.A.

There was a good attendance at the above gathering on Sunday afternoon when Mr. Lambert presided. The speaker was Mr. Young, of Leeds, who gave a capital address on "Joy." Mr. Smith was the organist.

ROTHWELL BAND OF HOPE.

The annual festival of the above Band of Hope was held in the Temperance Hall on Wednesday last, Mr. G. Eriestley presiding over a number of interesting exercises.

An address was given by Mr. B. Ashton, of Methley, who also presented the prizes to the Band of Hope scholars, in the absence of Mrs. Wm. Armitage. The Hall, which had been prepared to not in that capacity, but was unable to be present through indisposition. The prize-winners were:—

1st Class.—Ernest Askin, Oliver Ineson, Ivy Pickersley, Nora Pickersley, Elsie Moran, Nellie Goddard, Florence Smith, Nellie Whitehead, Gertrude Siddons, Harriet Ward.

2nd Class.—Violent Ward, Gladys Beckwith, Edith Stead, Susanah Askin, Elsie Moran, Williams, Bertha Will, Ada Moran, Florrie Armitage.

3rd Class.—May Beasomworth, Evelyn Gibson, Annie Goddard, Annie Ward, Edith Gibson, Annie Maud Armitage, Lillian Harrison, F. Fox, Nellie Harrison, and later Ward, Kate Thacker, Elsie Parnister, Lottie Armitage.

Boys.

1st Class.—Alfred Gibson, George Siddons, Harold Smith, Harold Moran, Harry Williams, Herbert Williams, Edwin Ward, Albert Blackman, Willie Moran, Fred Pickersley, Robert Harrison, and later Ward, Kate Thacker, Elsie Parnister, Lottie Armitage.

2nd Class.—Walter Askin, Willie Fox, John Mellor, David Siddons, James Mellor.

3rd Class.—George Brown, Ernest Ward, Harry Gibson, Albany Brown, Arthur Mellor, Willie Beasomworth.

Master Percy Reid recited "Barbara Frietchie" and "The pipers of Lucknow," and Miss E. McWilliams rendered the solo "Have you seen my soldier boy?"

Mr. G. Ineson, the secretary, in a lengthy report of the thirty-six submitted by the same official—said the past twelve months had been a memorable one for temperance workers. At the beginning they were buoyed up with high hopes and strong enthusiasm, and later they were cast down with disappointment and discouraging experience. Last year they had great hopes of drastic reform through the provisions of the Licensing Bill, and later they were rudely cut short by the great brewers, ruthlessly cut short all their high hopes, on the plea for one thing that the Bill would cause more drunkenness, and later they were cast down with disappointment and discouraging experience. Last year they had great hopes of drastic reform through the provisions of the Licensing Bill, and later they were rudely cut short by the great brewers, ruthlessly cut short all their high hopes, on the plea for one thing that the Bill would cause more drunkenness, and later they were cast down with disappointment and discouraging experience.

During the year was not without its encouraging legislation, for in the Children's Bill they had a measure which made all children under three years of age to be sent to school. During the year was not without its encouraging legislation, for in the Children's Bill they had a measure which made all children under three years of age to be sent to school.

On the motion of Mr. G. Ineson and Mr. A. Sharpe the appointment of Mr. A. Sharpe as sanitary rate collector was approved.

Mr. G. Ineson proposed and Mr. Higgins seconded that the salary be £20 per year.

Mr. Hamer proposed an amendment and Mr. Newsome seconded that it be £25 rising to £30 after one year's service.

For the amendment there voted Messrs W. Higgins, W. B. Newsome, W. Poole, H. Parkin, H. Hamer, W. Cartwright, and Horn.

The principal business was the fixing of the Sanitary rate collector's salary.

On the motion of Mr. Cartwright and Mr. A. Sharpe the appointment of Mr. A. Sharpe as sanitary rate collector was approved.

Mr. Cartwright proposed and Mr. Higgins seconded that the salary be £20 per year.

Mr. Hamer proposed an amendment and Mr. Newsome seconded that it be £25 rising to £30 after one year's service.

For the amendment there voted Messrs W. Higgins, W. B. Newsome, W. Poole, H. Parkin, H. Hamer, W. Cartwright, and Horn.

The Chairman gave his casting vote in favour of the resolution.

On the motion of Messrs Linsley and Horn Mr. T. Goode was appointed Clerk to the Parish Council at a salary of £25 per annum.

Mr. Goode was thanked for his services as clerk pro. tem.

In place of Mr. Goode and Mr. Sharpe, the next on the list of defeated candidates at the last election, Messrs G. Parkinson and Gale were appointed members of the Committee on the motion of Messrs Newsome and Hamer.

ACCIDENT.

Whilst working at Messrs J. & J. Charlesworth's Nelson Colliery, on Monday morning last, two miners named James Maudrill, of Oulton, and George Asquith, of Rothwell, had the misfortune to be buried by a fall of roof. E. Nicholson, J. Field and G. Asquith their workmates, immediately cleared away the fall and released their unfortunate companions.

A man named J. Lunn, who went to their assistance, rendered first-aid, after which they were carried to the pit shaft, an operation which took two hours to accomplish. When taken to the Clayton Hospital, Wakefield, Asquith was found to have sustained a broken leg and arm, whilst his comrade's left leg was broken.

CONCERT AT STOUBTON.

In connection with the Stourton Primitive Methodist Sunday School, a concert was given by the scholars on Saturday evening, there being a moderate attendance. Mr. A. S. Barras was the conductor, and Mr. P. Smith the organist. The chair was occupied by Mr. Collins.

GAST AND WEST YORKSHIRE UNION RAILWAYS.

The official traffic return for the above railway for the week ending May 8th, 1909, is £239,000 against £210 for the corresponding week last year, a decrease of £29,000.

In 19 weeks ended May 8th, the return is £7,246, the amount during the corresponding period last year was £8,894, thus showing a decrease of £1,648.

NEWS FROM AUSTRALIA.

To the Editors of the *Rothwell Times*, Sir,

I have somewhat hurriedly decided to write you this week's mail par "S.S. Astoria," the largest mail boat used in the service between England and Australia. I shall see the boat before she leaves to-morrow, as I go to the Oulton Hall, which has been called by the authorities, which is the day the English mail leaves South Australia.

We at last charmed with the Governor General—Lord Dudley—he makes himself very sociable and has no stand-offishness about him. We had him staying in South Australia for two months at the Oulton Hall, our country seat on Marble Hill. He left in time to leave a clear course for our new Governor, Sir Bosanquet, who gives promise of becoming a popular administrator.

Our Premier is laid aside through illness; he has not been anything like well since his return from England, and from reports it seems that he has just about run his course.

By the way, you will have among you the Australian eleven. Clem Hill is not with them and I am not sure if he will get over the team will be out of beating, but I should like to see the "Tykes" to beat them at least once.

By the way, the Hon. Kirkpatrick, who has been appointed our Agent General leaves South Australia to take up his duties in London. He is one of our labour men, but a honest good sort of a man, which is more than can be said about many others.

Mr. Fisher, another Labour representative, is now Prime Minister, and has put forward a very strong motion for the Oulton Hall, as our gathering, as soon as the Federal Parliament meets they will be ousted from their present position, which they should never have occupied, as they are but a small minority in the Federal Assembly. It is very likely that there will be a fusion between Mr. Deakin and Mr. J. Cooke, who between them have a very strong political pull, but will be the outcome is difficult to say.

Much talk has taken place about a "Deadweight" being presented by the Commonwealth to England. Victoria and New South Wales have decided that should the Commonwealth decide not to make this present, those two Colonies will do so on their own account.

I send you per mail a small number of the "Electrician" which has been sent to me by the electricians running through our streets. We have had to put up with a great deal of inconvenience during the construction of the electric cables, but by a long way.

The Kensington and Norwood roads were open for the electric cars about a fortnight ago, and yesterday the North Adelaide line was opened, and the world is but fairly compensated.

Kingston Terrace, Yours faithfully,
North Adelaide, J. W. INGHAM.
South Australia.
8th April, 1909.

ROTHWELL LIBERAL CLUB.

The Committee of the above Club have passed the following resolution:—

"Seeing that the turn of events in connection with the Infirmary Demonstration Fete and Gala has resulted in placing full power in the hands of the Committee, and in a struggle control over the Sunday box collections at this club, the Committee resolve that all further collections be handed over to a Committee of the Club, to be elected by ballot, and that the distribution among such charities as may be determined in the near future."

SCOTCHBORED UNCLE HE BLEED.

BLEEDING PILES ALMOST SENT HIM MAD, TILL ZAM-BUK CURED HIM.

For two years Mr. Beuben Bates, a miner, of 24, Wharfe Road, Pkinton, Mr. Alferton, Derby, experienced the horrors of bleeding piles. Then he followed the advice of a workmate and tried Zam-Buk, with the result that he was quickly and miraculously freed from the torturing disease.

Telling his story to an "Alfred Advertiser" reporter, Mr. Bates said: "Two years ago I began to suffer from piles, and the pain from the constant burning was at times maddening. The doctor gave me an injection and special ointment and medicine, but the pain was almost unbearable, but at night as soon as I got warm in bed the itching was something terrible. I was obliged to scratch to get a little ease and I usually scratched till I bled freely. When I sat down or walked about I suffered agonies from the tormenting pain and itch, while the constant bleeding made me so weak I had to give up work."

"I tried many so-called remedies, but as month after month went by I lost all hope. Really when a mate urged me to try Zam-Buk, I first felt it was a waste of time trying any more, but just to please him I bought a box and used some the same night. Almost immediately after I applied Zam-Buk I was able to get some sound sleep, for the first time for many months. When I awoke the pain was not nearly so acute, and a further liberal dressing with this grand balm gave me ease during the day."

"I repeated the Zam-Buk dressings regularly and I made wonderful progress towards a complete cure. My friends were astonished to see me going to my work cheerfully again, and I was able to get on with my life as of old. Well, the itching and burning died away altogether as I continued with Zam-Buk, and the piles were gradually cured. I am now a happy man, and I feel that I was months ago, and there has not been the slightest sign of a return of this terrible complaint since. I shall never forget the debt I owe to Zam-Buk for curing me."

This unique soothing balm is sold by chemists at 1s 1d, 2s 3d, or 4s 6d a box, or direct at same price from the Zam-Buk Co., 45, Cove Ote St, London, E.C. Ask for Zam-Buk, and don't be put off with worthless imitations.

DROWNED IN THE RIVER AT STOUBTON.

At the Wesleyan School-room, Stourton, on Wednesday last, Mr. J. Mottilland held an inquiry into the circumstances of the death of Ethel Emerson, aged 13, of 8, Springfield Road, Burnham, Leeds, who had been missing for some time, and whose body was recovered from the river at Stourton early on Tuesday morning.

The girl's stepmother, Mary Jane Emerson, said that she had lost her last three or four months at a miller factory in Magbait. A week last Monday she returned from work about ten o'clock in the morning, and said she had "got stopped" for having asked for an advance wage. She seemed very much upset and began to cry. She went out to try and find another situation, and returned about one o'clock. The girl took about three-quarters of an hour over her dinner, and even then did not eat more than two or three spoonfuls.

Witness went into a neighbour's house, when she was about four years ago, and had disappeared, and nothing more was heard of her until news was received of the finding of her body in the river.

Mr. Emerson stated that on enquiring at the factory as to the cause of the dismissal, she was informed the girl had been "observing" the older hands, and had never asked for an advance.

The Coroner: Has there ever been any insanity in the family?

Witness: Well, her mother poisoned herself. When was that? About four years ago, and in answer to further questions, Mrs. Emerson said the girl had sometimes been cheerful and sometimes a little sulky, but the next minute she would be all right again.

The Coroner: You have never noticed that the girl was queer in her mind, apart from when she was a bit sulky?—Oh, no. Do you think she drowned herself, being frightened because of having told an untruth?

I think she has been frightened at telling an untruth.

The father, John William Emerson, said the girl's mother committed suicide.

The Coroner: By poisoning?—Yes, by taking two spoonfuls of laudanum.

Was the verdict one of "Suicide whilst of sound mind"?—No, I think it was a case of "Suicide whilst of unsound mind."

When she took the poison was the child present?—Yes.

In her presence?—Yes, in her presence, and she sent her to the mill.

Was this girl queer tempered?—Well, only at odd times; her step-mother has had to check her.

Had she a hasty temper?—Yes, very quick-tempered.

Do you think she had told her stepmother the truth?—Well, some of the girls with whom she worked say she never asked for a rise.

You are satisfied that she has drowned herself?—I think she has gone straight away in her temper and done it.

Not under the influence of passion, perhaps, as a fear of having told an untruth?—It might have been that.

George Radmore, of Dandy Row, Stourton, a labourer, employed at the Wesleyan Mills, who saw the body floating in the river, said he told his employer and sent for the police.

The Coroner: Couldn't you get the body out in the water several days?

Witness: Well, I have always been informed that if we find anything of the sort to leave it until the police have seen it.

If it had been left for a week or a fortnight would you have left it?—No, I should not. How could you tell there was no life?—I could not say very true.

The Coroner: If ever you find any more people in the water get them out if you can, and don't wait for the police. There have been cases of people getting into the water and then becoming unconscious, and they might have been saved. I hope you will not find any more, but if you do, get them out as quickly as you can.

Witness: I hope I shall not find any more. In answer to a juror, the witness said that while the police were being fetched he got a rope round the body to make it float.

It was stated that the body had apparently been in the water several days.

The jury found that the girl "drowned herself while mentally distressed through having spoken an untruth."

POLICE NEWS.

At the Leeds West Riding Court, on Tuesday, Harry Broughton, of Leeds, for acting as a pedlar without a certificate in Queen Street, Stourton, on 7th inst., was fined 10s.

John Wright, miner, of Rothwell, for being drunk and disorderly in Commercial Street, on the 1st inst., was fined 10s and costs.

Harry Jackson, for begging in Wakefield Road, Stourton, on Wednesday, the 5th inst., was sentenced to a month's imprisonment.

Harry Dugworth, for a similar offence on Pontefract Road, on Sunday afternoon, was sent down for a month.

Arthur Etheridge, another tramp, for stopping people on the footpath on the Wakefield Road, on Monday afternoon, received a similar sentence.

OLD AGE PENSIONS.

The Pension Office Books for the next half-year are now ready for issue to those pensioners who commenced to receive their pension in January last. Every pensioner before receiving a new book will be required to sign a declaration that his income has not increased so as to in any way disqualify him from receiving a pension at the same rate. To avoid delay pensioners should have ready for inspection an account of all money received during the past six months, but not including that received from old age pensions.

Pensioners at the lower rates who think they are entitled to a new book will apply immediately by sending in a fresh claim accompanied by a full statement of their income from all sources. The Pension Office is in Rothwell district Monday, the 17th day of May and Friday, the 21st May.

PIGEON RACING.

YORKSHIRE FEDERATION: AMBERGATE RACE.

The majority of the clubs in the Yorkshire Federation sent birds to Ambergate on Saturday for a preliminary race prior to the opening of the racing programme on Saturday next, and the return to head show some wonderful work after an hard wind. In the Western Section the conveyors liberating at 12.30, Black F. the Biscuits Club, who is at the top with 1,513 yards, and the Eastern Section winner (liberated at 1.55) appears to be Mr. Lamb of the Bottombost H.S., whose figures are 1,294 yards. But it is the Eastern Section to bring the whole lot, for Messrs Jagger and Son, of the Penistons H.S., are credited with 1,517 yards. The liberation was effected at 1.20 p.m.

Bottombost H.S. (46 values)—Thirteen members sent 91 birds. Lamb 1,294, 4s, Moor 1,601, 5s, Ingham 1,142, 6s, Turner 1,184, 9s, R. Durham 1,121, 7s, Baldwin 1,096, 3s. Mr. R. Ingham wins it pool.

WAKEFIELD FEDERATION: ASHBY RACE.

The Wakefield Federation clubs on Saturday were all Ashby for their old bird race, and some good work was accomplished against the odds. The race was very brilliant, and the birds would find it difficult in making out the route. Mr. J. Moorhouse carried off the honours, his bird wired into the Wakefield, and he was the distance at 1,254 yards per minute, and winning him a special prize.

Louthouse H.S. (69 values)—Twenty-one members sent 229 birds. J. Armitage 1,148, J. Harrison 1,143, and 1,111, E. H. Parker 1,141 and 1,130, J. Armitage 1,117, W. Chapell 1,108 and 1,100, Wilcox 1,103 and 1,083.

LEEDS FEDERATION: ASHBY R

BY FIELDSMAN.

Darton the winners of the Wakefield District League last year, visited Corby for the first time in the 1930-31 season, but for 34, S. Lawrence and J. Newton, however, improved the total, the pair taking the scores to 73 before Lawrence, who was batting, was dismissed. He batted very well, especially in the run, who was not out at the close of the innings for 33. He played some very good bowling and batted well, but was dismissed for a total of 87. The second innings was a moderate one, for the wicket was like a billiard table and as Darton are noted for their batsmen, it was no a difficult task for the bowlers. The first of the Rev. G. H. Kingston, F. C. Tillingsworth and Roe, and although the form was out for 2, the latter was not out 41, was the winning hit. The Darton bowlers were run out for victory with only 3 left to bow down, G. Garforth being not out 31.

W. Walde took 4 wickets for 10 runs in Cleaver 6 for 6.

CRICKET NOTES.

By FIELDMAN.

The sun shone brilliantly on Saturday and a better day for cricket could not have been wished for. The majority of wickets were in a good condition and it was therefore not a surprise to see such large scores.

Rothwell first played their first away match with Roundhay; there was nothing special to note only that the visitors were awfully slow at the wickets. Going in first, Rothwell only scored 70 in just over two hours. Beckwith and A. Tiffany were the most successful batsmen knocking up 17 and 12 respectively. Armstrong 10, Morgan 9, and Hobson 8 not out were the other good scorers. The fielding and bowling of the home team was very good, but Rothwell's batting was greatly at fault. Roundhay commenced well with the willow scoring 26 for the first wicket. Clarke being caught by Beckwith for 3. Four wickets were down for 47-27 of which had come from T. Walker's bat. At Morris and Craven took the total to 51. At that figure drawing time arrived. 130 runs for a full afternoon's cricket is a very slow performance only averaging 30 runs per hour.

More interesting cricket was witnessed in the match between the second elevens at Rothwell, for the batting on both sides was brilliant throughout—one hundred and ten runs more being scored. The homesters yielded the willow first and put together 140. G. Woodhead played a capital innings of 41, including 6 boundary strokes. The next highest contributor was Harrison with 37 not out—7 fours being in his useful score. Thurwell 16, McCullough 12, and O Banks 11 assisted to make Rothwell's total a respectable one. Roundhay were drawn for 4 when stumps were drawn. Good batting was shown by Lambert, B. Bottomley and Berry. The former made 33, Bottomley 23 and Berry not out 18. Rothwell tried six bowlers in all, having the best batting for 1 wicket for 6. The visitors' batting was a lot better than their bowling.

Carlton entertained Griggleson in a Wakefield and District League match. The previous week Griggleson defeated East Ardley United by a substantial margin, and they had also given Thornhill the go by the previous week to Ardley. Carlton therefore tried forward to the visitors. The visitors won the toss and batted first at an excellent wicket. The first wicket fell at 9 but Park and Townsend carried the score to 52 before Aveyard bowled the former for 27. Yeadon, who is an old stager, contributed 22 and Townsend also made 20. Blakely however was the principal scorer making 41 and E Sykes was responsible for 18. 171 was a grand total, the batting all round of the visitors being very good. Roe did best with the ball taking 3 wickets for 19. Wright and Fozzard commenced Carlton's batting but a disastrous start was made, the former being bowled by Park's first delivery. T. Brown and Fozzard put on 50 not out and the latter retired after making 15. Aveyard had played brilliant attractive cricket scoring 35 in pleasing fashion. Roe and Brown carried the score to 103 when drawing time arrived, the game being left in a very interesting state.

Carlton second gained another victory on Saturday, Griggleson second being defeated by 102 runs. Carlton had the advantage of batting first, and they gave the homesters a fair share of leather hitting. When they had registered 156 for 7 the closure was applied. J. Ashton was the hero of the afternoon making 50 not out and this in round form. He went in when 2 wickets were down for 33 and whilst he was at the wickets 123 runs were made. In his innings were 5 fours, 1 three, 7 twos and 19 singles. He hit well all round the wicket and played the bowling with excellent judgment. J. Brook was responsible for 22, T. Speake 16, A. Brook 14, L. Dobson 11, and W. Brown 10 not out. Griggleson only fared moderately against the keen attack of the visitors, who bowled and fielded admirably. In the latter department Carlton showed off well, two or three clever catches being taken, the one by Butterworth being especially worthy of note. The homesters were dismissed for 54, A. Brook capturing 4 for 25, W. Brown 3 for 25 and J. Brook 2 for 1.

Oulton journeyed to Sandal and won somewhat easily. The home team won the toss. E. Watson and O. Dawson facing Nuttall and Higgins. Eleven runs were scored when Higgins bowled the former and with a single added to the score Dawson was caught by F. C. Higgins for 4. Saxon was bowled for 6 by a cyclist and none of the batsmen seemed to be at home with the attack of the Owls. Berry was out at the unlucky number, but Woolley who was ninth in brightening things up by scoring 18. Sandal's total of 54 was only 8 runs more than the visitors. The visitors were exceedingly well the former taking 4 wickets for 28 and the latter 5 for 24. Butterick and S. Lockwood went in for Oulton, and without a run being made Saxon captured the former. Nuttall partnered Lockwood and the score gradually improved until when Lockwood was 13 he had to retire hurt. By careful batting Falkenstein and Nuttall rubbed out the runs, the former even making 12 each. Two wickets fell with the addition of 2, when Gloype made 16. None of the remaining batsmen with the exception of Radcliffe not out 9, could couple himself for 77. O. attack, Beeston being dismissed for 77. O. attack, Beeston took 4 wickets for 17 and Collis 3 for 15.

The seconds of the above clubs played on the Woodlee enclosure. Bating first the home team completed 52. W. Waide and Cockburn opened and the latter was out at 9. Waide was the highest scorer of his side with 11, Hamer being a good second with 10. Beeston second batted better than their opponents and the result was that Beeston won by 20 runs. Radcliffe was the main contributor with 21 not out; Redshaw and Hirst made 14 each and Mann 10. Waide captured 6 wickets for 29.

Robin Hood and Leeds Salem were engaged in a friendly at Leeds and were defeated by 58. Leeds Salem batted first and when they had scored 120 for 8 declared their innings. Their batting was very consistent, no fewer than six making double figures; there was not a duck in the record. Ramsden 25, Jenkins 22, Mann 15, Bastow and Bushby 13 each and Loreday 12 batted well. Smith and Horner started Robin Hood's innings but the captain was got rid of for 4 and the Concorde was bowled for 6. Walter Goldthorpe made 12 but after his dismissal only W. Bramley 14 not out and Birbeck 13 reached double figures the total of Robin Hood's innings being 62. The visitors' batting was weak, but their opponents was in distinct contrast.

Robin Hood second made a very poor show against Leeds and lost. Robin Hood visited the wickets first and not one of them did justice to their cause. Seven wickets fell for 7 and when 10 runs were scored the main man went in. The last wicket fell with the addition of 6, Robin Hood's total only reaching 16. Though the bowling of Spencer and Thompson was good, very weak batting was shown by their opponents. Leeds Salem only lost one wicket in obtaining the runs required for victory.

Middleton Park and Mickelfield played a Yorkshire Central League game at Mickelfield. The home team had the choice of innings and registered 85. Taylor was responsible for 19, W. Wall 16, Silberry 14, and extras reached 11. The visitors did not make a good start with the bat, for Spink was out at 9 and at 15 W. Spoke was also disposed of. S. Goughthorpe, however, improved matters with an innings of 20. The game was very interesting and the visitors won by two wickets, Beckwith being not out 13. H. Spake was credited with 12.

A. Wray, late of Middleton Park and now professional for Thirsk scored 58 and secured 6 wickets against Boroughbridge last Saturday. Wray has done excellent service with the north Yorkshire club and is the mainstay of the team.

Another of our local men who did well on Saturday was P. Parkin, of Lofthouse, who took 9 wickets for 27 when playing with J. Rhodes and Sons against Harbory Bridge in the Wakefield and District League. He also made 23 with the bat. These two performances are exceptionally good.

There was a great deal of talk in cricket circles last week as to whether P. Wormald was going to leave Rothwell. The minds of the public will now be at rest for last Saturday Wormald played with Middleton and scored 25. I am sorry for the Rothwell club, but it is better himself than Roddilliers will be only too pleased to hear of it. In my opinion he will find it hard to keep up his form against the clubs. Middleton have to meet Harbory I hope he will be successful and that he may render them valuable service.

J. R. Marshall, who up to two or three years ago was a regular member and worker of the Lofthouse Cricket Club in the season playing with Hamlet Nelson in the Leeds League. On Saturday he scored 13, the unlucky number.

POLICE NEWS.

At the Leeds West Riding Court on Tuesday William Lytle, labourer, of Woodlee, for being drunk and disorderly in Commercial Street, Rothwell, on Saturday, the 15th inst., was fined 10s including costs.

Joseph Watson, labourer, of Woodlee, for being drunk and disorderly in Holmley Road, Woodlee, on the 13th inst., had 10s and costs to pay.

Walter Harrison, labourer, of Oulton, for being drunk and disorderly in the Aberford Road, Oulton, on the 15th inst., was fined 10s including costs.

Charles Mitchell, of no fixed abode, for begging in Alma Street, Woodlee, on Monday afternoon was sent to prison for three months as a rogue and a vagabond.

Albert Poole, tailor's cutter, of Leeds, for being drunk and disorderly on the Leeds Road, near John O'Connell's on 16th inst., was fined 10s including costs, and Frank Potter, gas-worker, of Leeds, for obstructing the public way, was fined 20s including costs.

Herbert Garfield, Ernest Morton, and Willie Andrews, piano drivers, of Bothwell Haigh, for damaging shabaz belonging to Mr. Thomas Park Wade, of Leeds, fined 2s 6d and costs and ordered to pay 6d damage each.

ROTHWELL AND DISTRICT CHARITY BOX COLLECTION COMMITTEE.

A meeting of this newly formed Committee was held on Wednesday night, at the Black Bull Hotel, Mr. Oakland, president, being in the chair. There were present representatives of the various collecting boxes both from Clubs and Public Houses in the district.

The Chairman expressed his regret at the turn affairs had taken but hoped Charities would not suffer in consequence of the split which had taken place on the General Infirmary Committee. It was no use denying the fact that the people who contributed weak by week to the public house boxes would not contribute further if the money was to be handed over to the self-elected Committee known as the Testimonial Committee. People who had worked years in the cause had been driven from office to satisfy a party, who he was informed had done little actual work in the cause. He urged that interested on behalf of charity should be taken in the doings of the new Committee, such as had been shown during the many years they had so arduously worked under the old regime. (Applause.) The reserve fund in the bank which had been earned by the old Committee he understood was £65 17s. 6d. He contended that of amount should be withdrawn and paid over to the Infirmary as that institution stood greatly in need of support. He was of opinion that the new Committee should start with a clean sheet. (Hear, hear.)

The secretary, Mr. J. Stead, submitted a code of rules for the governing of the Committee which was adopted. It was of opinion that the office elected were—president, Mr. J. Oakland; treasurer, Mr. William Bennett; secretary, Mr. J. Stead. The question of distribution of the funds raised was left over to a future meeting and some motion was made as to the advisability of contributing to a Nurses' Home so that a district nurse might be brought into the district for very needy cases. The next meeting will be held at the Court Hotel, of which due notice will be given.

Friday, June 18, 1909.

HUNSLY BOARD OF GUARDIANS.

A fortnightly meeting of the above Board was held on Wednesday afternoon last, at the office of Hunslet, being in attendance Mr. W. Hollings (chairman) presiding, Mr. W. Schofield (vice-chairman), Rev. M. J. Dillon, Messrs Thomas, Hunslet, Newcome, Wilson, Conyers, Bath, Groun, Harlow, Good, Bulmer, Fountain, with the clerk (Mr. May) and assistant clerk (Mr. Ward).

WORKHOUSE VISITING COMMITTEE.

At a meeting of the above Committee the Clerk reported that the Sub-Committee

appointed to consider applications for the office of barber and bathman had selected J. Olegg, of Chesterfield, Harry Greaves, Hunslet, and Edward Butterfield, Turner, to attend the Committee. Mr. Greaves was subsequently appointed. The question of the provision of notices prohibiting inmates from leaving the workhouse was again considered, and it was agreed that the inmates be prohibited from doing private work for officers without permission, and the Clerk was instructed to draw up a notice to that effect. A letter was received from Mr. F. Fitzpatrick with reference to the complaint of subletting of his contract as tradesman.

It was resolved that the explanation be sent to the Clerk regarding an application by the Brabazon Committee for permission to attach card indicators to beds to distinguish their workers. It was agreed that the Committee be informed that the Guardians can be empowered to purchase two second-hand perambulators from Mr. Shearman of Rothwell. Also that a carpet be purchased for the porter's sitting room. The Clerk was instructed to draw up a notice to that effect with reference to the charge of £1 17s 0d for new wheel to hand cart, which the Guardians think about 20 per cent too high.

The minutes were approved.

CONTRACTS.

The following tenders were accepted and appointment of tradesmen made for the supply of necessary goods.—Messrs J. Stephenson & Co., Ltd., 40, W. Hudson and Sons; groceries, H. Brown and Sons; tea, J. Edwards; yeast, Mann & Co.; potatoes, Jacques & Son; fish, O. Brown and Sons; coal, J. Charlesworth & Sons; B. H. Scott, Clump Cill; drapery, J. Batty & Sons; leather, H. Dixon; coffins, P. Mitchell; glass, Goodall, Backhouse & Co.; bricklayers, W. Chapman; Son; joiner, C. Puffett; W. Green; printing and stationery, Knight & Forster; cab, J. Gill; lithographing, minutes, Knight and Forster; and B. Clarke and Sons; B. H. Scott, Clump Cill; brushes, Leeds Bindist; books, &c., All Cooke, Ltd.

GUARDIANS AND THEIR RELATIONS.

Mr. Green proposed that the Board be requested to state whether they were related in any way to any member of the Board. He moved the resolution because of the difficulties he had since he had been a member of the Board, and because of the difficulties in connection with other appointments he had seen made outside.

Mr. Clark requested.

Mr. Harrison spoke in opposition, and said the Board might very reasonably be also applied to those applying as tradesmen for contract work under the Board.

Others having spoken for and against, the motion was put to the vote when there was a tie, the Chairman declaring the motion not carried.

Mr. Newcome then gave notice that at next meeting he will propose that all persons applying for contract work under the Board be required to state in their contract for whether they are related in any way to members of the Board (laughter).

Mr. Green: I shall very likely vote for it.

VARIOUS.

The Master reported the relief of 122 vagrants during the last night, against 100 for the same period a year ago.

On the recommendation of the Finance Committee, accounts were passed amounting to £201 5s 0d.

The Committee considered the application of Mr. O'Neill for an increase of salary as collector, and adjourned the matter sine die.

The Master reported three deaths in the house, and also a treat by the Brabazon Committee.

As a salo, permanent, and warranted cure for Pimples, Scrofula, scurvy, Bad Legs, and Blood Diseases, and "some of all kinds, we can with confidence recommend Laidlaw's Wonderful Pimple-Blood-Mixer. Sold by chemists everywhere.

THE OULTON ROAD MAINTENANCE DISPUTE.

It is general knowledge that for some time past there has been friction between the Hunslet Rural District Council and Messrs G. Armitage & Sons as to the repair of Heep Lane, Woodlesford, a road upon which the Council has recently received a grant of £100 as a result of the development of their brick making and quarrying industries in the Oulton neighbourhood.

When this extra traffic was put upon the road which up to then had been used chiefly for agricultural purposes, the District Council made a claim upon the firm in question and an agreement was entered into under which Messrs Armitage agreed to put the road into good condition, and they accordingly executed the work, but not it appears to the satisfaction of the Council. Hence the action which commenced in the Leeds County Court, on Friday last, before his Honour Judge Greenhow.

The Hunslet Council claimed £108 in respect of extra repairs, necessitated, it was alleged, by extraordinary traffic from the defendants. Mr. Shepherd said that the defendants had already paid into court the sum of £40, with no denial of liability, and as the plaintiffs claimed £108, practically the only question was the assessment of the cost of the repairs.

The road in question was an agricultural road. The District Council undertook the repairs, and the traffic consisted of farmers' carts and a motor truck, all of which had to pass along the lane. The plaintiffs consequently claimed for the additional expense they had been put to in consequence of the extra weight of the surface of the road, the difference between the previous average cost of the upkeep of the road and the cost of repairs owing to the extraordinary traffic being represented in the sum claimed.

The Clerk, Mr. W. B. Findar, surveyor Mr. J. Nuttall, Mr. F. Masie, civil engineer, Wakefield, Mr. Shaw, M.C.E., of Dewbury and Mr. Oll Edwards, engineer at Messrs Bentley's Brewery, were the principal witnesses for the prosecution.

His Honour suggested the calling in of some person who understood the work to act as an arbitrator, and the case was adjourned.

THE LATE MRS. WIGGLESWORTH, OF OULTON.

A most impressive funeral was witnessed at Oulton on Wednesday week, when the remains of Elizabeth Wigglesworth were interred at St. John's.

The deceased, who was the widow of the late Edwin Wigglesworth, painter, Leeds, was a native of Oulton and had reached the age of 75 years when she died.

Her husband was a leading local tradesman, and she was a most devoted wife and mother. She was known to all as a most devoted wife and mother.

There was a large attendance at the funeral, and the service was conducted by the Rev. W. B. Findar, who was assisted by Mr. J. Nuttall, Mr. F. Masie, and Mr. Oll Edwards.

The burial took place in the Oulton cemetery, and the service was most impressive.

The funeral was attended by a large number of friends and relatives, and the service was most impressive.

HUNSLAT BOARD OF GUARDIANS.

A fortnightly meeting of the above Board

was held at the offices, Glasshouse Street,

Hunslat, on Wednesday afternoon, there being

in attendance Mr. W. Holman (chairman),

Mr. W. Schofield (vice-chairman),

Mr. Killingbeck, Mrs. Dickinson, Rev. M. J. Dillon, Messrs. Gomers, Hamer, Poush, Edmond, Butterick, Knight, Green, Bush, Wilson, Hargreaves, Rainier, and Hadow, with the clerk (Mr. Mee), and assistant clerk (Mr. Wright).

WORKHOUSE VISITING COMMITTEE.

At a meeting of the above Committee it

was agreed that the Board be recommended to

require that inmates leave off work in accordance

with the established time table, and not earlier, unless so ordered by the Medical Officer.

The Clerk reported the decision came to by the Property and Buildings Committee concerning the painting of the exterior

of the workhouse building and that he hopes to advertise for tenders this week. On the

recommendation of the Sub-Committee appointed to deal with matters respecting laundry

work in the house it was decided that the

Laundress be required to keep a summary of the work done and material used, and such

book be laid before the Committee at each meeting, and that steps be taken to check the

goods going through the laundry. The Committee

also took into consideration the other matters to which Mr. Bagnall drew attention

at the previous Board meeting. Concerning the suggestion that single instead of double

beds should be provided for the aged couple

temporarily occupied by men only, it was decided to pass on to the next business.

It was also agreed that the matter of cleaning and cultivation of the land be referred to the

Committee. The suggested conversion of lumpy block and in connection therewith

the Medical Officer's report as to the provision for sick generally, and physical cases in

particular, be referred for consideration to the next meeting. The Master reported that

Mr. Bagnall had also suggested that bathing regulations and thermometers should be hung up in the bath rooms in use. Ordered

that it be not entertained. The Master reported that while the steeple-jacks were at work on the roof of the water tower, he had

had the weathercock eased and painted, and had also ordered a tape extension of lighting

conductor from the chimney to the weathercock, which is higher. Ordered that it be approved.

In proposing the minutes for confirmation the Mr. M. J. Dillon said the Committee had

attended to the laundry requirements, and that the remarks of Mr. Bagnall on other matters

affecting the management of the house had been considered. He thought all would now

be in proper order.

CHILDREN'S HOMES.

At a meeting of the above Committee held

July 5th, there were present Messrs. J. Butterick (chairman), J. Edmond (vice-chairman),

J. T. Armistead, E. Green, H. Hamer, T. Park, W. Schofield, Rev. M. J. Dillon, Mrs. Dickinson.

The suggestion made by Mr. Bagnall, that it be not entertained. The Master reported that the Guardians that the privies at the Houses

should be converted into water closets was again considered. It was proposed by Mr. Park that the Rothwell Urban District Council

be asked if they can guarantee an adequate water supply for flushing such closets.

Seconded by Mr. Green and carried unanimously. A letter was received from the Leeds

Flower Market Board stating that no reports were made to them in respect of John Hudson

and Sarah E. Starks who were not in the office at the date of inspection, but that if the Guardians that the privies at the Houses

should be converted into water closets was again considered. It was proposed by Mr. Park that the Rothwell Urban District Council

be asked if they can guarantee an adequate water supply for flushing such closets.

Seconded by Mr. Green and carried unanimously. A letter was received from the Leeds

Flower Market Board stating that no reports were made to them in respect of John Hudson

and Sarah E. Starks who were not in the office at the date of inspection, but that if the Guardians that the privies at the Houses

should be converted into water closets was again considered. It was proposed by Mr. Park that the Rothwell Urban District Council

be asked if they can guarantee an adequate water supply for flushing such closets.

Seconded by Mr. Green and carried unanimously. A letter was received from the Leeds

reported, also an entertainment to the inmates.

On the recommendation of the Finance Committee accounts were passed for payment

amounting to £294 4s 11d. Mr. G. Oleg, one of the assistant clerks in the office made

application for an increase of salary. On the motion of Mr. Schofield the application was

referred to the Finance Committee.

A letter was read from the Local Government Board, and Nelson & Co. pensioners

stating that the official receiver expected in the distribution of the assets pensioners

entitled to 10s pension would receive £1 12s each and those entitled to 5s, 15s, each.

ROTHWELL WESLEYAN GARDEN PARTY.

With a view to assisting the fund for the

renovation of the Rothwell Wesleyan chapel, the garden party was held on Sunday last.

The church a short while ago decided on an open-air effort, and were fortunate in securing the ready co-operation of Mr. & Mrs. Walter

Hargreaves, of Carlton House, whose house and grounds—an ideal rendezvous—were

offered for the venture. We use the latter word advisedly for this phenomenally wet

summer has made all outdoor efforts almost impossible, and the promoters of not a few

of our friends have been sorrowfully lamenting the futility of the English climate.

Happily the executive were fortunate in the date selected, for although Wednesday last

the day of the party was not marked by brilliant sunshine—there being even some

intervals of bright sunshine the prediction of rain brought the garden weather

propitiously to the fore—there was an absence of rain, which allowed of all the arrangements

being successfully carried out.

A large number of people gathered together in the afternoon and enjoyed themselves in the open, the trim gardens, and the fine floral

displays being much admired.

Various games were indulged in on the lawn, and from four o'clock to five-thirty, tea was served alfresco fashion.

During the evening a musical programme was gone through, the Rothwell Wesleyan

Choir under the leadership of Mr. T. Park, and accompanied by Mr. George Clarkson sang selections,

instrumental pieces being also given by a string band under the direction of Mr. S.

Morton. Miss M. Wade, of Woodliff, also recited, and solos were sung by Mrs. Hutchinson and Miss Wade.

The proceeds which go towards the ladies' aid on behalf of the above fund will result in a net amount of about £5.

DEATH OF MR. ALFRED JEFFREYS.

The death occurred on the 13th inst. of Mr. Alfred J. Jeffreys, of Vernon Road, Leeds, who will be remembered by many in Oulton and Woodliff, he having resided in Oulton

for some years. He was a native of Oulton, and was a member of the Wesleyan

Church. He was a very kind and generous man, and was much respected by all who

came in contact with him. He was a member of the Wesleyan Church, and was a

very kind and generous man, and was much respected by all who came in contact with him.

CARLTON PRIMITIVE SUNDAY SCHOOL TRIP TO PONTEFRACT PARK.

The teachers, scholars and friends of the

above Sunday School had their annual trip on Saturday last to Pontefract Park.

The weather was anything but bright in the morning and the

trip was somewhat doubtful whether they would be tarried with a fine day. Last year

the trip was a success, and the youngsters especially had been looking forward to the

visit to Pontefract with anticipations of better conditions. There were about 160 altogether

taking part in the trip, and the journey was made in wagons just after twelve, Pontefract

being reached shortly after half-past two. The children at once commenced various

games, whilst the older

ROTHWELL EDUCATION

COMMITTEE.

A meeting of the above body was held on

Friday night last at the Carlton Hotel, Leeds,

there being in attendance Mr. W. Lunn (vice-

chairman) presiding, Mr. J. Dobson, Mr. Jas.

Horne, Mr. J. Hirst, Mr. B. S. Chadwick,

Mr. T. Thomas, Mr. J. W. Vollans, Mr. W.

Hargreaves, with the clerk (Mr. Angus) and

attendance officer (Mr. Steel).

The attendance returns were presented, the

percentage being 92.64; whooping cough, and

chicken pox had affected the attendance at

Middleton, and ringworm at Stourton.

In regard to the split in the roof of the

Thorpe School, the West Riding Architect

reported that the damage was owing to the

general settlement of the building, and that

he had asked the contractor to make it good.

The central question estimated that the

work was not prepared to depart from their

previous decision that the Committee's recom-

mendation of an additional teacher in the

Louthouse school be not sanctioned.

It was pointed out that what was required

was more rooms.

Under the circumstances Mr. Chadwick said

the County Council had offered a better

quality of school, and that it had not been

accepted. If the Louthouse people would

build another room they would get another

teacher.

At this stage of the meeting Mr. Lunn

rescued the chair, having another meeting to

attend. Mr. Hirst being elected to preside.

Miss Barber, head teacher of the Stourton

Infants' department made application for an

increase of salary. Her present remuneration

is £105, and the average attendance 160.

It was thought by some members that the

salary compared favourably with other

teachers occupying similar positions. It was

agreed on the motion of Messrs Horne and

Vollans that an advance be recommended, the

motion being carried by three votes, Messrs

Horne, Vollans and Hargreaves, the other

members being absent.

Mr. F. A. Barnard reported on the Thorpe

school as follows:—The teaching is vigorous

and painstaking, and the work presents many

commendable features. In the first class the

children are keen and alert and they are being

trained to think out things for themselves;

the instruction in arithmetic and drawing in

particular is given on sensible and practical

lines. In the classes below the first, the

method is a weak subject and will need much

attention; special regard should be paid to

giving the children a thorough grounding in

principles and processes. Spelling is not

strong point, but composition is generally

satisfactory, while the teaching of geography

and history is interesting and intelligent.

Classification is a matter calling for serious

consideration. In the first standard there is

much of children who would undoubtedly

have profited by some few months more train-

ing in the infants' division; as it is, they

certainly need teaching on infants' lines

at least in such a subject as reading some

sectional teaching is clearly desirable. It

should be definitely understood that a rigid

system of drafting children from the infants'

division is undesirable, but that from the in-

fants' section to the upper department and

from class to class promotion and classification

should be free. The teachers generally pre-

pare their lessons in a satisfactory manner.

Records and reports are well drawn up, and

the home-made illustrations by the teachers

are worthy of commendation.

The report was accepted as very satisfactory

and with congratulations to Mr. White, the

head master.

It was agreed that a meeting with the head

teachers be arranged to discuss methods to be

adopted for encouraging scholars to go in for

the periodic scholarship examinations at the

various schools.

Several members expressed themselves as

of opinion that this district did not get an

average benefit from the educational authorities

which these West Riding scholars carry with

them, and it was urged as most desirable

that the head teachers interest themselves in

the matter and co-operate with the Committee

in an effort to make plain to parents and

scholars the value of this secondary course of

instruction.

ROTHWELL WESLEYAN SUNDAY

SCHOOL.

A service of unusual and interesting char-

acter was held in the Rothwell Wesleyan

Chapel on Sunday afternoon last.

On this year Alderman Pickersgill, of Leeds,

received his first bible in the old Wesleyan

Sunday School, in Swinburn Street, and it was

to celebrate this event that Sunday's special

service was held.

Mr. Goodall, one of the Superintendents of

the School opened the proceedings (Mr. But-

terfield being absent through illness). Ad-

dresses full of reminiscence were delivered

by Mr. G. Ward (one of Alderman Pickersgill's

teachers in the old days), by Mr. J. B. Seaton

a Sunday School teacher of long experience

in the work at Rothwell, and by Alderman

Pickersgill who urged the young people pres-

ent to aim at regularity and punctuality in

attendance, to aim high in life and to seek

in some of the many ways to serve faithfully

their day and generation.

The children sang their anniversary hymn

under the baton of Mr. Hale with Mr. Thorp

Hampson at the organ, a band of instrumental

artists assisting the accompaniment.

A collection was taken in support of School

funds amounting to £1 9s 3d.

FIFTY YEARS AGO.

(Continued).

The visit of Alderman Pickersgill, of Leeds,

to the Rothwell Wesleyan Chapel last Sunday

brings to my mind memories of fifty years

ago, when the old Chapel was still untouched

by the reformers' hand, and the services were

of the real old-fashioned Methodist type.

How vividly do I recall the straight-backed

narrow green-painted pews up-stairs, and the

plain uncomfortable forms used for the child-

ren down-stairs. And then too, the singing

psalm, with the communion table and rail in

front of the pews and sittings.

But my purpose just now is not so much

to dwell on the past, as to tell of the school

of the present. When Mr. Pickersgill and his

school-fellows attended Sunday morning

and afternoon. Being also used as a day

school by Mr. E. B. Long (then a school-

master, but now a teacher), the school-

room bore many marks of its week-day use,

the yellow-washed walls being decorated with

a few maps, and a number of square black-

boards, and the desks, which were mostly

of Bible incidents. At the further end was

the fireplace; all round the walls were the

desks (flat top down); at the other end of

the room, the desk which was the centre

of the infants' gallery, and which served for

the Sunday School superintendent, or the day-

school head teacher.

To many these memories are more words,

but I think that not a few who will be

glad to recall the happy days of youth and

childhood, when we used to attend the old

school, and join in the simple exercises of

Sunday School work as then conducted.

The children, as Mr. E. B. Long and Mr.

POLICE NEWS.

At the Leeds West Riding Court, on Tuesday, Walter Dunsen, labourer, of no fixed abode, was sent to prison for three months for sleeping in a boiler house at Messrs Goss, Arncliffe & Sons's quarries, Oulton, on Friday.

William Wallace, labourer, was sent to prison for three months for begging in Wakefield Road, Stourton, on Friday.

George Osborne, iron-worker, of Hunslet, was charged with having used abusive language at Stourton, on Sunday, the 11th inst., and was fined 10s including costs.

John Myland, compositor, of Hunslet, was charged with having been drunk and disorderly and also with having broken a wringing machine, the property of P.S. Matthews on Sunday. On promising to sign the pledge, he was let off on paying 5s for the damage to the machine.

James McMahon, labourer, of Woodlesford, was fined 10s and cost for being drunk and disorderly on Saturday night, the 10th inst. in Aberford Road, Woodlesford.

William Brown, labourer, of Woodlesford, was fined 10s including costs for having used abusive language to Ruth Dennison on the 19th of June.

John Crane, pit-blaker, of Woodlesford, was charged with using obscene language in Oulton Lane, on Sunday, the 11th inst. Defendant, who had been several times previously convicted was fined 20s and costs or one month.

Matthew Spence, John Kenny, and John Weddington, labourers, of Leeds, were charged with having stolen 5 cwt of iron from the property of Messrs Walter Scott, Ltd., of Leeds Steel Works, on Saturday. Kenny was sent to prison for three months, and the others one month each.

Walter Shorter, pit-blaker, of Woodlesford, was charged with assaulting James Flockton, of Woodlesford, in Alma Street, on the 3rd inst. Shorter was bound over in a sum of £5 to keep the peace for 6 months.

STARTLING OCCURRENCE AT ROTHWELL HAIGH.

An inquest was held at Rothwell Haigh of Tuesday night last, on view of the body of William Gill Elliott, 41 years of age, who until recently was employed at the Copper Works, Stourton.

Annie Elliot, wife of Robert Elliot, colliery bankman, said that she had lodged with them about 18 months. He was an electrical engineer, and had been employed by the Leeds Copper Works Co. for a considerable time. He was a married man and had three sons. He had recently been drinking heavily, and had been discharged from work on that account. On Tuesday morning she called him at 7.40, and got no answer, and again at 8.35. She and her husband then went upstairs and found the deceased sitting on the bed with his head against the wall and his feet fastened to the bed-rail. He was dead, and the body was cold.

Herbert Rawling Ellis, motor attendant, said he slept with his uncle. The deceased never spoke through the night on Monday, but spoke to him as he was getting dressed, and appeared to be falling to sleep again. He did not say that he would commit suicide.

A verdict was returned as follows:—

"Strangled himself, through drinking and dismissal from work on that account."

GIRLS' FRIENDLY SOCIETY.

In connection with the above Societies of England a special effort is being made to raise £20,000 to put the Girls' Friendly Societies House of Rest in the country on a sound basis, and each branch is expected to raise a certain amount. In order to do this the Oulton Branch has made a sale of work in the Vicarage grounds on Saturday last, and £22 was raised. The opening ceremony was performed by Miss Madge, of Middleton. The stall-holders were—Mrs Friggle, Mrs Chapel-Care, Miss Morland, Miss Bell, and Miss Laverack, assisted by Mrs Henderson, and the members. An entertainment was given by the infants' school children under the direction of Miss Bell, and gramophone selections were given at intervals, while a tennis tournament took place which was very interesting.

STOURTON PRIMITIVE METHODIST SUNDAY SCHOOL.

The anniversary services in connection with the above school were held last Sunday, services being held after noon and evening. Mr. G. Ayton, of Leeds, was the preacher. The scholars sang their Whitenside hymns under the conductorship of Mr. A.S. Barrow. Mr. Smith presided at the organ. There were good attendances.

STOURTON WESLEYAN P.S.A.

At a meeting of the above on Sunday last, Mr. Treby, of Roundhay, gave an interesting address on "Ye cannot serve two masters." Mr. Longthorne, of Hunslet, sang very nicely "Leave it all to Jesus" and "The Better Land" (Canaan). Mr. Dyson presided and the accompanist was Mr. L. Smith. There was a good attendance.

EAST AND WEST YORKSHIRE UNION RAILWAYS.

The official table return for the above railway for the year ending 17th, 1909, is £570 against £403 for the corresponding period last year, a decrease of £168. For the 3 weeks ended July 17th, the return is £198; the amount during the corresponding period last year was £104, thus showing an increase of £94.

GARDEN PARTY AT ROTHWELL HAIGH.

In order to raise funds for the forthcoming bazaar of the Robin Hood United Methodist Church to be held next Christmas, Mr. & Mrs. W. Baty, of Rothwell Haigh, gave a garden party on Monday last, which was held in Mr. W. Turner's field, Rothwell Haigh, kindly lent for the occasion. Before the event Mrs. Baty had disposed of a large number of tickets and consequently there was a capital attendance, the affair being favoured with fine weather. A ham tea was provided the tray-bearers being Mrs. W. Bramley, Miss B. Keighley, Miss Mrs. Baty, and Miss Annie Ward, whilst Mrs. Baty and Miss Baty assisted.

After tea ladies and gentlemen's cricket match took place, the ladies proving victors by 7 runs. For the ladies Miss E. Atkinson was the highest scorer with 19, whilst Mr. Crane for the gentlemen made 11. The ladies batted with proper brio and their opponents had to use pick shots and had to bat, bowl, and field with the least advantage.

The following are the scores:—

LADIES.	
Miss Rhoda Hartley, c Hartley b Lamb	3
Miss E. Wright, not out	3
Miss E. M. Milner, b. Horner	3
Miss T. H. Holroyd, b. Horner	1

Total	45

At the close a vote of thanks was passed to Mr. & Mrs. W. Baty for their kindness in providing such a splendid affair, and also to Mr. Turner for the use of the field. The effort has realized a profit of over £5.

HUNSLET GUARDIAN'S ANNUAL CROQUET MATCH.

This annual fixture was played on the Hunslet ground on Monday last. Several prominent croqueters members of Hunslet were on hand. The game, however, was a very interesting one ending in a decisive victory for the Hunslet Committee. Mr. Balmer was the only Guardian to make double figures (10) and Hunslet the only successful bowler amongst the Guardians, all 10 runs being scored from the 6 overs he bowled, and he claimed 2 of the most dangerous of his opponents.

The results were as given below:—

HUNSLET COMMITTEE.

CRICKET NOTES.

By FIELDERMAN.

The weather was everything that could be desired on Saturday for the cricket matches in the district, it being about the best Saturday for the game this season.

Rothwell were on their own ground to their local rivals Robin Hood. The home team won the toss and W. Fox and J. Beckwith went to the crease first. J. W. Place, a Middleton Park player, bowled and secured the first wicket, Fox being caught by Horfield for a capper when 10 runs were on the board. Taylor and Beckwith took the score to 28, when Newell caught the latter after making 18 in good style, this being the highest contribution on the Rothwell side. O. Tiffany was out for a duck, but his brother Albert made 17—when at that figure he was run out. Six wickets were down for 57, and the remaining batsmen played poorly, the team being dismissed for 65—10 of which were extras. Place and Horfield opened Robin Hood's batting, Bedford and Morgan being the bowlers. With 8 scored the form was bowled, whilst with the addition of 3 Place was caught by Morgan at 15. James Horner and Newell made a stand for the fourth wicket, the pair taking the score to 89 when Newell was given out lbw to a Tiffany, having then made 11. The fifth wicket fell at 52—but although the visitors seemed to have a good chance of victory it was not to be accomplished, for at that total 4 more wickets fell, including Horner, who was out lbw for 21 runs. Robin Hood's total reached 53, Rothwell winning by 13. Bedford took 5 wickets for 18—4 of which were secured in one over—all cleaned bowled, without performing the hat-trick. Morgan took 4 for 16.

A very exciting match between the second elevens of the above clubs took place at Robin Hood. Rothwell second batted first and scored 44—15 being obtained by W. Woodhead, who went in first with F. Dobson. Harrison was the next best scorer with 11. Robin Hood bowled and fielded well. Ingley and Charlesworth commenced the home team's batting, with the promising start, scoring 15 before the former was bowled by Moss. W. Charlesworth was also bowled by Moss after making 17 by good cricket; after his dismissal only Palmer and Newell showed anything but resistance to the bowling of Lunn and Moss. Robin Hood lost their last three wickets when four runs were required for victory. Rothwell won a most exciting game by 3 runs. A. Brown captured 6 wickets for 7 and Moss 3 for 22.

Carlton second eleven were engaged in a Wakefield & District game with Whitwood second at Whitwood. The home team won the toss and batted first on a good wicket, Rayner and Reed scoring 36 for the first wicket. Both were out when 18 and 17 respectively, and the century by J. H. Buttick 26, followed. Reed added to the first wicket stand 3 more falls. Newstead and Pryah made 10 each and the full total of the home team was 81. Carlton second lost a wicket at 60. Rayner played to Reed. A. W. Palmer, run out to Reed. W. Speake and Dobson, who took the score to 69 before the former was bowled by Pryah, having played a delightfully free innings of 43, which included 5 fours. A. Ashton and Dobson carried off the required runs for victory, Carlton bringing off an easy win by 8 wickets. Dobson played well for his 28 not out, and Ashton was 9 not out.

The Oulton first eleven were away to North Leeds, where they were defeated by three wickets. Going in first Oulton made a decent total of 103, the century by I. H. Buttick 26, followed. Reed added to the first wicket stand 3 more falls. Newstead and Pryah made 10 each and the full total of the home team was 81. Carlton second lost a wicket at 60. Rayner played to Reed. A. W. Palmer, run out to Reed. W. Speake and Dobson, who took the score to 69 before the former was bowled by Pryah, having played a delightfully free innings of 43, which included 5 fours. A. Ashton and Dobson carried off the required runs for victory, Carlton bringing off an easy win by 8 wickets. Dobson played well for his 28 not out, and Ashton was 9 not out.

The second elevens of the above clubs played on the Oulton Green and a draw strongly in favour of the visitors was the result of the game. The home team batted first and made a respectable show, scoring 103. Allan Clarke completed 30 in splendid style, whilst his nearest rival was R. Higgins with 19, and T. Cain made 11 not out. A short of victory—when drawing time arrived. Wofenden was not out 32 and Thompson made 33.

Woodlesford who were very weakly represented had a very interesting game with Chapel Allerton St. Matthews at Leeds. The visitors wielded the willow first, and were dismissed for the small total of 40. Handkinson 14 and T. Britton 12 not out were the principal scorers. The home team could do no better against the Woodlesford trundlers, especially Waide, who has done remarkably well this season. When the score was a tie Waide bowled the last man—a very interesting game ending in a tie. Waide had the splendid analysis of 5 wickets for 15, and O. Wilkinson 4 for 11.

Methley and Headingley were engaged in a friendly on the Methley ground against Chapel Allerton St. Matthews for the whole team were disposed of for 39—19 of which came from the bat of G. Thompson. Clarke secured 3 wickets and Methley secured by 7 wickets. Headingley gained an easy victory, only losing two wickets in obtaining the runs required for victory. W. Atkinson was not out 15 whilst Clarke made 22. Headingley took 10 wickets for 16, and Methley 8 for 16. The visitors made 52, Methley 30, and Rhodes 11 being their best scorers. Nicholson was responsible for 32 for Headingley and Baskett 20.

A Way, late of Middleton Park, and now professional for Thirsk, has been re-engaged by that club for next season. A Way has again done remarkably well this season, with both bat and ball. Last Saturday, against Ripon, he captured 6 wickets.

On Wednesday night last the Rothwell Haigh Colliery team played at Carlton in order to get a little practice on Saturday's game with Newmarket Silk Colliery. The game was played on the Rothwell ground. The home team batted first and made 80 for 7 wickets when they declared as to allow the Rothwell Haigh a little batting practice. The Colliery team replied with 74 for 8 when the game was brought to a close. Illingworth 29, Speake 10, and Clarkson 10 were the chief scorers for Carlton whilst Woodhead 43 contributed to the High side.

Rothwell Temperance Society and Leeds Temperance Society members played a cricket match at Roundhay Park and though Rothwell who went in first were disposed of for 22 they won a low scoring match by 7, the Leeds team being out for 15. T. Waide was the highest scorer of the match with 10 closely followed by W. Blackburn with 6. Thirteen of the twenty-four players were credited with "ducks." Hartley Barnes for Rothwell took 7 wickets for 5 runs, Armstrong 3 for 8, and Thackray 1 for 1.

GOOD NEWS FROM BATLEY.

All of us in Rothwell will be glad to hear such good news from a neighbour. We congratulate ourselves as well as this Batley register for the intelligence of the greatest importance to many of us here.

Mr. Albert Heald, 24, Cross Backroad, Batley, says:—Doan's Backache Kidney Pills have done me a lot of good. There is a great deal about them. For a long while I was troubled with my kidneys—I was plagued with lumbago and urinary disorders. I could cover with my hand the part of my back where all the pain was.

"Sometimes the lumbago would stay as long as six or seven weeks together. If I got wet and neglected to change my clothes, I would be bothered for weeks. I have a lot of lumbago about at my work, as well as lifting heavy weights, and this made the pains worse than ever. Many a night has my rest been disturbed because of my having to get up several times to pass kidney secretions.

"Doan's pills have relieved me of the pains and have remedied the urinary system. These pills are well worth taking and I would advise all kidney sufferers to give them a trial.

(Signed) Albert Heald.

Pain in the back or loins is a sign that the kidneys are weak or diseased. The kidneys were never intended to stand hard strains, and when they are more worn forced upon them when they can perform backache, comes, and backache, head aches, tired feeling, irritability and nervousness, and urinary disorders. And after a while, if help is not sent to the overworked kidneys, dropsy, diabetes, rheumatism or other dangerous illness, will surely follow.

HUNSLLET BOARD OF

GUARDIANS.

A fortnightly meeting of the above Board
 was held at the offices, Glasshouse Street,
 Hunsllet, on Wednesday afternoon, there being
 in attendance Mr. Hollings (chairman) presiding,
 Mr. Schofield (vice-chairman), Mr. Dick-
 enson, Mr. Killageck, Messrs. Hamer, Park,
 Butterick, Pountain, Cargers, Bulmer, Wilson,
 Bush, Good, Edlison, and Knight, with the
 acting clerk (Mr. Ward).

WORKHOUSE VISITING COMMITTEE.
 At a meeting of the above Committee held
 August 4th, there were present, Rev. M. J.
 Dillon (chairman) presiding, Mrs. Dickenson,
 Mr. T. Park, Mr. J. Wilson, and Mr. W.
 Hollings. The Clerk advised that the report
 for the insurance of the boilers and other
 machinery at the Workhouse. Reports were
 received from the National Boiler Insurance
 Co. of the examination of the Deep Well
 Pump, No. 2 Engine and No. 1 Boiler which
 were found to be in order. The report of the
 Ladies Committee was received and found
 satisfactory.

The minutes were confirmed.
 The Master reported the relief of 158
 vagrants during the fortnight, against 186 for
 the corresponding period last year, and also 5
 deaths in the house (4 males and 1 female).
 Accounts were passed for payment amounting
 to £1,493 8s 8d.

Mr. & Mrs. Tallant, foster parents at the
 Homes sent in their resignations which were
 accepted with regret.

On the motion of Messrs. Butterick and
 Conyers it was agreed to advertise for suc-
 cessors.

The resignation of Miss L. Bradley, land-
 lady also was accepted.

Mr. Wilson proposed that the Board adver-
 tise for a successor at £32 rising to £35 on a
 year's approved service.

An amendment was proposed by Mr. Scho-
 field seconded by Mr. Good that the Board
 advertise on the same lines as before.

The amendment was put and carried 6
 to 2.

The Schofield asked if they had heard any-
 thing more with regard to the water supply.
 He thought it was time they were using it as
 the sooner they got it the better. It would
 mean a considerable saving.

The Clerk said he had heard nothing more
 about the matter.

The return cricket match between the
 Homes and House Committee of the above
 body takes place at the Homes on Wednesday
 afternoon next.

NEW LIBERAL CANDIDATE FOR THE

MORLEY DIVISION.

A meeting of the delegates of the Morley
 Division Liberal Association was held in the
 Zion Schoolroom, Morley, on Tuesday
 evening last, Mr. J. E. Walker, president, of
 Midfield, occupying the chair. Mr. Gerald
 France, of Newcastle, who had been selected
 by the executive committee as the Liberal
 Candidate in place of Mr. Alfred E.
 Hutton, M.P., who intended to retire at the
 next general election. After a lengthy
 address on the political questions of the day,
 and a number of questions answered, a resolu-
 tion approving his candidature was carried
 unanimously.

SORE, INFLAMED & ACHING FEET.

ZAM-BUK ENDS EIGHT YEARS'

SUFFERING.

Sore, aching, tired and swollen feet, and
 ankles are the lot of many in hot weather,
 especially those who work and walk long hours
 standing. The ideal cure is to bathe and
 cleanse the feet and then dress the soles,
 instep, ankles, and between the toes freely
 with Zam-Buk, that pure herbal balm which
 parishes the sores, relieves the growth, and
 cures chafes and sore parts.

Mr. Charles Cottle, 7, Eugene Street, Penny-
 ward, Bristol, writes—

"Eight years ago I began to have a lot of
 trouble with my feet. First there was a
 burning and irritating sensation. Then
 pimples and red blotches formed and began to
 break out on the skin. The sores dried up
 at first, but my feet got so bad that I went to
 the Bristol Infirmary. After the skilled
 infirmary surgeons had entirely failed I felt
 that my case was practically hopeless."

"For seven years I suffered on and off in this
 way. At last I tried Zam-Buk. After only a
 few dressings with this rare balm I experienced
 great relief from the pain. The sores dried
 up and one by one disappeared. In their
 place appeared a new skin, clear, firm, and
 healthy."

EAST AND WEST YORKSHIRE UNION RAILWAYS.

The half-yearly meeting of the East and
 West Yorkshire Union Railway Company was
 held on Monday afternoon, at the Hotel
 Metropole, Leeds, Mr. Z. T. Yewill, the chair-
 man, presiding. There were also present, Mr.
 S. W. Meyer, Mr. Ben Day, Mr. A. Armitage,

IN SCHOOL.
On SUNDAY NEXT, AUGUST 29th,
The Services will be conducted in the Morning at
10.30, and at 4.45, by the
Rev. T. ARROWSMITH
Collection in aid of the Church Funds.

Friday, August 27, 1909.
ROTHWELL DISTRICT
COUNCIL.
IMPORTANT STOUTON BUSINESS.
ALL THREE MEMBERS ABSENT.
A monthly meeting of the above Council was
held on Monday evening last, at the offices
Borlase, there being in attendance Mrs. S. B.
Chadwick (chairman), Messrs. S. Dobson,
James Gordon, Eli Dobson, John Dobson, W.
Abbishaw, James Armitage, G. W. Blakey, J. H.
Gordon, Wm. Lunn, G. Armitage, with the
clerk (Mr. Dodgson) medical officer (Dr.
Stevens), surveyor (Mr. Southworth), and
sanitary inspector (Mr. Moorhouse).
Mr. Gordon proposed and Mr. Abbishaw
seconded the confirmation of the minutes of
the last general meeting.
The Chairman asked if anything had been
done in regard to the site in Bell Hill.
The Surveyor: There is nothing definite
settled yet.
Mr. Abbishaw: What about the education
grant?
The Chairman: I have signed the cheque.
The teachers have not on their holidays.
Mr. Lunn: I have not heard any com-
plaints.

At a meeting of the Highways Committee
held August 17th, there were present,
Messrs. Abbishaw (chairman), George
Armitage, John Dobson and Lunn.
Resolved, that the lane from Lingwell
Nook to the Railway Bridge towards
Langley be repaired and the causeway
done away with; that the tenants be
called on to remedy three styles at Lof-
house and one in Shafley Lane; that
the causeway in Butcher Lane be re-
flagged and re-corked from the top to
the Wesleyan Chapel; that the Surveyor
ask Mr. Carpenter to meet him on the
road in reference to the cost of repairing
the Tramway margins where the joint is
defective; that notice be given to the
adjoining owners that the Council propose
to lay out a new street 36 feet wide
from the top of Meynell Avenue and
asking them to state the price they require
for the additional land required for the
same.

It was decided that the causeway at Lee
Moor be repaired; that Mr. Stainer
be asked to submit a plan of the proposed
new boundary to his land; that the Mid-
land Railway Company's offer for repair
of Leeds & Wakefield road be submitted

to the County Council and that the be
asked to take the liability for the 30
yards not included in the offer; that an
amended certificate for £5 in favour of
John Robinson be put forth for Private Street
Works at the Lhas.
Resolved, that the Clerk write the Rev.
G. H. Scott that the Committee find paved
crossing objectionable at a point of view
of vehicular traffic but give instruc-
tions for the road opposite the school
yard to be kept in better condition.
The Surveyor was instructed to ascertain
what duties could be got from the
Copper Works and to purchase as re-
quired.
Mr. Abbishaw proposed and Mr. Lunn
seconded the approval of the minutes.
The question of the repair of the Pinfold at
Lofhouse being raised it was decided to take
the matter in Committee.
The minutes were adopted.

At a meeting of the Finance Committee
held August 17th, there were present,
Messrs. John Dobson (chairman), George
Armitage, Abbishaw, and Lunn.
Resolved, that the Council pay £4 in
settlement of the claim of D. Rich.
The minutes were passed on the motion of
Mr. Dobson, seconded by Mr. Abbishaw.

At a meeting of the Sanitary Committee
held August 16th, there were present
Messrs. Chadwick (chairman), Corlien,
Squire Dobson and Eli Dobson.
The Inspector presented his monthly
report as follows:—
During the past month 12 nuisances
have been abated.
734 loads of nightsoil have been re-
moved from July 15th to August 12th,
1909.

The inspection of cowsheds and exam-
ination of milk cows by the Veterinary
Surgeon and myself has been completed
this term. 302 milk cows have been
examined, 3 of which were considered
to be unsatisfactory as milk cows.
A sample of milk taken for bacteriological
examination for suspected tuberculosis
gave negative results. The cows and sheds
on the whole were fairly clean.
Three fowl privies have been demolished
at Queen Street, Stouton and five w.c.'s
constructed in their places.
14 Canal Boats have been placed with the
Canal Boat Regulations. Notices were served
upon the owners and both have been
made satisfactory.
Instructions were given to test for
tuberculosis, milk coming into the district
from outside sources.
The Inspector reported that the slaughter-
house at West Parade, Rothwell, had
been given up.
A letter from Mr. Collin Ward and
Olefin Ltd. asking for a sewer at Lee
Moor was considered, and left over till
the next meeting of the Committee.

Resolved, that Mr. Moorhouse be re-
appointed Inspector of Nuisances for a
year from the 1st October next with the
same duties and on the same terms as
before.
The Chairman proposed and Mr. S. B. Do-
bson seconded; the minutes were approved.

At a meeting of the Building Com-
mittee held August 16th, there were in
attendance Messrs. Corlien (chairman),
S. B. Dobson, Chadwick, and Eli Dobson.
Resolved, that Mr. Hirst be asked to
submit a detailed plan for Mr. Moore
on the site contained in his letter and that
Mr. Richardson be asked to submit
in writing particulars of his proposals in
regard to the plan submitted by him for
Mr. Wormald.

The minutes were adopted on the motion
of Mr. Corlien and Mr. Eli Dobson.

At a meeting of the Waterworks Com-
mittee held August 18th, there were
present Messrs. J. Armitage (chairman),
Blakey, and Horner.
The average daily consumption for the
month of July 29th, 1909, is Rothwell
176,000 gallons against 164,000 for the
same period a year ago; Thorpe 88,000
against 88,000; Stouton 50,000 against
48,000; Midland 30,000 against 30,000;
Middx. Railway 82,000 against 87,000;
total consumption for the month 8,843,000
gallons, 8,575,000.

A letter was read from Messrs. Brown
& Sons stating that the land in the pastures
was not available for a bathing pool.
Resolved, that a 3in. main be laid in
Middleton Lane as far as the existing
main, that notice be given to the
adjoining owners that the Council propose
to lay out a new street 36 feet wide
from the top of Meynell Avenue and
asking them to state the price they require
for the additional land required for the
same.

It was decided that the causeway at Lee
Moor be repaired; that Mr. Stainer
be asked to submit a plan of the proposed
new boundary to his land; that the Mid-
land Railway Company's offer for repair
of Leeds & Wakefield road be submitted

to the County Council and that the be
asked to take the liability for the 30
yards not included in the offer; that an
amended certificate for £5 in favour of
John Robinson be put forth for Private Street
Works at the Lhas.
Resolved, that the Clerk write the Rev.
G. H. Scott that the Committee find paved
crossing objectionable at a point of view
of vehicular traffic but give instruc-
tions for the road opposite the school
yard to be kept in better condition.
The Surveyor was instructed to ascertain
what duties could be got from the
Copper Works and to purchase as re-
quired.
Mr. Abbishaw proposed and Mr. Lunn
seconded the approval of the minutes.
The question of the repair of the Pinfold at
Lofhouse being raised it was decided to take
the matter in Committee.
The minutes were adopted.

HUNSLY BOARD OF GUARDIANS.

A fortnightly meeting of the above Board
was held on Wednesday afternoon, at the
Hunslay Board of Guardians, at 2.30 p.m.
Mr. W. Hollings (chairman), presiding, Mr.
W. Schofield, (vice-chairman), Mr. Dickenson,
Mrs. Killebeck, Messrs. J. Butterick, T. G.
Conyers, T. Park, J. E. Harlow, H. Harlow,
H. Harlow, F. Foulton, T. Good, C. Bush, J.
Wilson, E. Green, J. W. Bulmer, T. Thomas,
J. R. Knight, J. T. Armitage, J. Barrell,
J. P. Allison, with the clerk (Mr. Mee), and
assistant clerk (Mr. Ward).

At a meeting of the above Committee held
August 16th, there were present Messrs. Butter-
ick, (chairman), Dickenson, Conyers, Green,
Bulmer, Park, Schofield, Mr. Dickenson, W.
Hollings, ex-officio. A letter was received
from the Local Government Board assenting
for a further period of twelve months to the
use of the No. 2 House as a probationary
home for children over 2 years of age. A
letter was received from Miss Broadley, foster
mother applying for a testimonial. The
minutes were confirmed.

At a meeting of the above Committee held
August 16th, a Sub-Committee was appointed
to revise the duties of the landress. No
quorum was present at the meeting. The

TABS AND FAGS.—BY MAN ABOUT TOWN.

We are told that swamping is a fine art.
Should the weather continue as it was last
Monday we should either learn to swim or
build Noah's Ark.

If the Infirmary Gala had been held on the
date as in previous years the Committee
would have had a bad time of it, and the
charities benefiting by such undertakings
would have been losers.

I am told that one of the chief officers of
the present Committee hoped for such weather
during the three days Aug. 21st, 22nd, and
23rd because such were the dates on which
the Fete would have been held under the old
regime. I am not in a position to mention
names but Secretary Clarke might know.

The Carlton Temperance Band were asked
to state a price at which they would play
during the three days of the Fete. £5 was the
sum named as remuneration but I learn such
was not accepted.

It is true that afterwards the same band
offered to entertain the guests, providing
that the Rothwell Old Band would do like-
wise. Rumour has it that such was the
case; but Secretary Clarke did not con-
sider it worth while to approach the Committee of
such offer. How was that?

For years now the Band question has been
a sore to the Committee. One question has
been asked to handle. On the one hand, the
Carlton would have been accepted with open
arms.

Speculation as to the result of the gala this
year seems flat and discouraging, seeing that
the old date has been ignored and passed by.
People naturally will not have the same interest
now, as the date fixed are not apparently
popular. The influx from the outside cannot
be expected to come up to previous years.

The Bill of fare to be provided, gossip from
certain sources says will out-class all previous
arrangements. Well we shall see what we
shall see. The outlay is said to be pretty
heavy and at least will require close upon
£400 expenses to cover. Whether a balance
of £72 in favour of the Charities, as was the
case last year will be netted is very much in
doubt.

Through the efforts of the newly-formed
committee the box collections at the Public
Houses will be handed over to the Infirmary,
so that Rothwell will still be among the list
of subscribers to these deserving institutions.

In reading through the notes by the The
Tyle in last week's Times, my attention was
drawn to the paragraph about the legal right
to the Infirmary boxes. The writer himself
claims that the Fete Committee can claim the
boxes. So they can, for I am told that the
newly-formed Rothwell Charity Box Collection
Committee have no providing themselves
with boxes of their own, and so the old
boxes which have been used for so many
years in our local hotels, so termed, will then
be at liberty to be handed over.

The crux to the whole question seems to be
as to who has the right to the money so
collected. The Tyle says that he has heard
that legal advice has been sought on the
question. By whom? Secretary Clarke,
rumour says is responsible and has sought
such advice. Will the Tyle tell us who has
sought legal advice, and who will be responsible
for the cost of such advice? Surely com-
mon sense tells us that people don't pay their
coppers each week into these boxes to be spent
in Law.

This point is very much exercising the
minds of those that contribute week by week,
and here let me say that the question is being
asked if the money is to be paid over to the
self-elected Fete Committee. If the Temperance
circle, now leaders of the Fete Com-
mittee wish to handle any money collected,
green let them pay their coppers like the man
who visits the local hotels. In future no
money collected by this means will find its
way to the Committee, of this your readers
may rest assured.

NOTES BY THE TYLE.

There is a whisper that the Wednesday
half-day closing of respectable business shops
is being jeopardised. This does not refer to
the privileged ones selling tobacco and sweets.
It is notorious that customers can be served
the afternoon and evening at the places
indicated, and a continuation of such practices
may lead to the break up of the boom. Those
who preach should practise.

Can nothing be done to stem the curse of
profanity and obscene language so rampant in
the public streets, and in the hearing of
passers by? This, and the rude obstruction
of the footpaths surely come under the "vigil-
ant" eyes of the guardians of law and order.
There is, however, some excuse for deman-
ding language when it is drunk in with
mother's milk.

Mr. J. S. Charlesworth, the prospective
candidate for the Morley District, and also
candidate for the Association presented the
West Yorkshire Amateur Brass Band Associa-
tion to Birtall Old at Darlington Park
Moor on Saturday last. Armitage and Worley
and Birtall tried for the first and second prizes
and Birtall again Birtall obtained the
premier award.

STOUTON PRIMITIVE P.S.A.

At the above service on Sunday afternoon
last the Rev. E. Barrell, of Hunslay, gave the
address and Miss Veda Jones, rendered in fine
style "Respecters are needed." and "I have
Christ, what want I more?" Mr. Barrell
conducted the singing service and Miss Jones
contributed "The Prodigal." The choir,
rendered the anthem "Daughter of Zion"
under the conductorship of Mr. Barrell, Mr.
Smith was the organist.

STOUTON PRIMITIVE METHODIST SUNDAY SCHOOL.

The scholars of the above Sunday School
were given an outing on Saturday afternoon
to Outwood, and the journey was made in
waggons. Tea was served in a field for the
children, and after the singing of hymns and
the teachers and parents. The evening was
spent in a field, games being engaged in, and
the party reached Stouton shortly after nine.

NOTES BY THE TYKE.

I read by last week's issue that I have

a 'real' par' writer in the field, and 'wel-

come gallant knight,' I say, for occasionally

we may cross words. There is nothing very

pleasing about his handling. Tabs and

'Penny' suggest refuse, or the manner part

of things, and to my mind 'refuse' was the

predominant component part of your new

first contribution. His opening para

was only a means to an end, that end being

an attack on the present Rothwell Infirmary

Committee, an attempt to depreciate their

honourable labours in the interests of charity,

personal spleen against certain officials and

flaming jealousy last year's efforts should

be a successful one.

As to his notes about the Carlton Band's

offer to give their services I am informed that

no such offer was officially made, so that

Secretary Clark, as he pleases to dub him,

cannot be held responsible for not placing

before his Committee a communication he

never received. I understand the Carlton

Band had expressed themselves willing if

the Rothwell Bands were also so willing to

attend without fee, but that the offer had not

been conveyed to Secretary Clark in writing.

'Speculation as to the result of the gala

this year seems that the 'discouraging' we are

informed. For why? Because the old dates

have been 'ignored and passed by.' What a

premise! Do the old workers—so called—

presume to go on to pretend to fix the date

of the demonstration for all time? New

workers have new ideas, new methods, and

new aims; the alteration of dates—for which

there was a very justifiable cause—cannot be

an unpardonable sin, except in the eyes

perhaps of those who for other reasons feel

aggravated. Perhaps your correspondent hopes

that 'the influx from the outside districts

will not come up to the mark.' At any

rate that is my consolation from the reading

one can see between the lines.

'Evidently "Man about Town" knows

more about the collecting boxes in the local

hotels than about the topics he attempts to

discuss. He refers to my note about these

boxes, and confirms the fact that the

ship. Everybody knows that since 1902 the

In the air, but at last appears to be material-

ising. The adjoining cottages, some time

ago purchased by the Trustees, are now being

reared to the ground. The plans, I under-

stand, provide for a large billiard room which

will have ample space for two boards, and also

the enlargement of the present hall. Other

much-needed accommodation will also be

provided in the shape of reading and other

rooms. I admire the Committee's efforts to

provide for the young men of the village

recreation and entertainment apart from un-

derstandable surroundings and temptations, and

trust that their scheme may be successfully

carried out.

The Rothwell White Rose Club I under-

stand, are making an attempt to round the

corner of their financial embarrassment, and

are promoting what promises to be a money-

making chocolate club which is timed to

come to fruition about the time of Father

Christmas' annual visit. Some old and

experienced hands are putting their shoulders

to the wheel again, and are long I hope to see

the old club in its usual prosperous and

flourishing condition. The executive have

good hope of putting an excellent playing

eleven in the field on strictly amateur lines.

New faces to be seen in the team will include

some of Galsworthy, late full back for

Oldroyd and Miller from the same organiza-

tion—both young forwards; Chadwick, centre

forward, late of Holbeck Rossett, will be

the most important addition to the team. They

are on the look out for a good between-the-

sticks operator, and with satisfactory arrange-

ments made for that position, the team should

do credit to the town and pull back the

enormous support of a few years ago.

With unity of purpose and well-directed

energy on the part of the Committee, the

club should have a prosperous season before

them.

Mr. Guardian Schofield made little headway

with his resolution at the last meeting of the

Hunslet Board of Guardians. He sought to

have Committee Chairman's duties properly

defined, but failed somewhat indignantly in

his attempt. So far as I could judge, the

Clark to the Board had taken the other course

of having the Chairman's duties properly

defined, but failed somewhat indignantly in

his attempt. So far as I could judge, the

Clark to the Board had taken the other course

of having the Chairman's duties properly

defined, but failed somewhat indignantly in

his attempt. So far as I could judge, the

Clark to the Board had taken the other course

of having the Chairman's duties properly

defined, but failed somewhat indignantly in

his attempt. So far as I could judge, the

of having the Chairman's duties properly

defined, but failed somewhat indignantly in

his attempt. So far as I could judge, the

CRICKET NOTES.

By FIELDMAN.

Carlton first finished up their season with

a brilliant victory on Saturday, over Thorn-

hill at Carlton. Both teams were weakly

represented, but in that respect Carlton suf-

fered less. The match was a very close one.

Albert Ward has been appointed to succeed

B. O. Barlow, as non-resident coach at Old

Tratford. A man of the skill, experience,

and high moral worth of the old county player

ought to prove most serviceable.

NEWS FROM AUSTRALIA.

To the Editors of the Rothwell Times,

Sirs,

A mission that has been largely attended,

and with apparent good results, has just been

completed in the Exhibition Building.

The Town and some of the other

parties left Adelaide on Tuesday last for

China. While in Adelaide, although the

weather was very wet and wintry, they had

large meetings in the Exhibition Building.

CARLTON BAND OF HOPE.

There was a fairly good attendance at the
Carlton Primitive Methodist Church on Satur-
day evening last, when the annual prize
distribution was held. The choir was con-

shot address. Miss Moscrop, of Bothwell, presented the prizes, and made a few encouraging remarks. There were 109 prize-winners.

POLICE NEWS.

At the Leeds West Riding Police Court, on Tuesday, Joe Brook, miner, of Hollinghurst, was charged with using obscene language to a lady on Tuesday, November 14th. He was fined 10s for using obscene language and 7s 6d costs for refusing to give his name.

G Booth, 19, miner, of Hollinghurst, was fined a shilling for a similar offence.

Mark Milner, a labourer, was charged with begging on Sunday the 21st inst. He was discharged on promising to go to the work-house.

FIRES SCALES AND ORIGINAL GRUBS.

There is a new book, "Literary Tours in the Highlands and Islands of Scotland" (Gaming Press, Glasgow), which is a very interesting story for literature. Of the examples given we choose the following: "I think it was too much to pay for him!"

Lily Britton, summoned William Britton, and the two of them went to the shore to Grimsby. On returning he had promised to amend his ways and do better to his wife and pay all costs. The summons was therefore withdrawn.

John W. Smithson, owner of Bothwell, for using obscene language in Marsh Street, on the 13th inst., was fined 10s including costs.

NOTES FROM THE BASSWOOD "BUGLE"
Hod Haskins is learnin' to play golf, and he says he will be able to play any day for the Cabinet.

Miss Lottie Huber, the milliner, is wearing a new hat.

John W. Smithson, owner of Bothwell, came to me as a pleasant surprise. Later on

be considerably more than former owners could have dreamed of. The clocks advertised in the New York papers, and the last time he was down there he decided to buy one. But he couldn't find one for a nickel.

Under Mr. Harkins says they have some good ones for sale. He says he has never seen any but gray; that is the first time we ever heard of men selling eye-glasses in a copy book. He says he has seen a lot of them in the store, but he doesn't win any Marthones that way. He says he has seen a lot of them, but he can't find the wind blow—*vide*.

THE PRODIGAL SON.

Cold blew the wind across the moor,
And heavy fell the snow;
A traveller sought parental door,
He'd left some years ago.
"Now this is Christmas Eve,
Good will, it should abound,
And gleaming lights I now perceive,
And hear harmonic sounds."
Then shall I mingle with the throng
Who revel with delight?
And can I take a single song
To those merry guests to night?
For many years have passed since I
Heard a father's voice,
Now I've returned to him I'll try
For happiness to find.
But then shall I be recognized,
So much from me is feared,
Although I'm not at all disguised,
But stay, I've grown a beard.
My father now and somewhat grey,
My two front teeth are gone,
I'm twice as despot, yet I say
I am their only son.
Bright light the room illumined,
The gloom none did discern,
The atmosphere it seemed
And Yule had felt the fire.
The mistletoe hangs here and there,
And holly berries red,
And winter flowers all in and round
Around the board were spread.
Sir Reginald the genial host,
Now spoke in accents clear,
"To one I think not me is feared,
To the 'lost one' he may return,
If he within him dwells,
For news of him my heart doth burn,
Can any guest here tell?"
One did arise with feigned voice,
An uninvited guest,
"I've news to make of your heart's rejoices,
Your son I know him best,
But first of all do not recall
The things of his old life and name,
Forgive, forget them, one and all,
You will, it is the truth.
Your son then take this news from me
Did tread a good and straight,
A noble one he's called the sea,
The sea became a wreck.
The angry waves ran mountains high,
Terror was the roar,
With cruel kindness sought him there,
They washed him up on shore.
In misery he looked around,
And weepfulness supplanted,
To see if comfort he could find
And fire to dry his clothes.
A longshoreman was passing by,
He'd never been to sea before,
You shiver I may not deny,
He quick came home with me.
The invitation he did not
"Two opportunities and now,
And nearly frozen with the breeze,
I was all alone here this eve.
They suffer who their parents leave,
And treat them with disdain,
But if your son here loaves again?
Those things he spoke in natural tone,
The tears, now filled his eyes,
The host and houses on to mourn,
So great was the surprise.
"What I surely know his name,
The mother cried and said,
"Forgive this? Yes then son of mine,
My lord be true.
Congratulations toward stars,
And much goodwill did weave,
For once again our son is here,
God bless this Christmas eve."
G. GIBSON. London.

ROTHWELL TEMPERANCE HALL.

Mr. T. H. Killingsbeck, of Woodstock, gave a lecture on "The Congo atrocities," in the Temperance Hall on Saturday night last. Illustrations were shown by limelight. Mr. Wright Stand having charge of the lanterns. Mr. John McNaught, of Newcastle, was the chairman.

GUARD AGAINST WINTER CHILLS.

PEPS THE GREAT LUNG AND THROAT PROTECTOR.

Cold weather is a severe tax upon most people, particularly the aged and infirm. The result is, in an increased death-rate, due chiefly to pneumonia and bronchitis, which always attacks the system in the winter months. Hence it is wisdom on everyone's part to protect themselves against the attacks of the "cold germ" by the daily breathing in of Peps fumes from the wonderful medicinal tablet which is conveyed through the throat and bronchial tubes direct to the lungs.
With advancing age the lungs and throat are bound to lose their vitality, on which the cold weather puts a further tax. Hence the number of serious illnesses that arise from a simple cough, or an attack of hoarseness, or a little but neglected tightness of the chest. In Peps, however, the frailties of the aged are met with an ideal safeguard and protector.
As a Peps tablet dissolves in the mouth, rare medicinal essences are released in the form of a vapour which is breathed direct into the breathing organs. In this way any soreness of the throat is at once soothed, inflammation allayed, and the strain of constant coughing is eased and strengthened. The thick phlegm clogging the bronchial tubes is making breathing difficult and rapidity is loosened and expelled, and thus the air passages are cleared and the vitality of every part of the lungs, throat, and chest restored to the highest pitch.
It is absolutely impossible for oily emulsions and liquid mixtures that are swallowed into the stomach to benefit the breathing organs. There is no passage at all from the stomach to the lungs. Air is the nature food of the breathing organs; hence it follows that a medicine, to benefit the throat and lungs, must be in the form of air, too.
Peps are the unique remedy that science has lately discovered to fill this great need. Moreover, Peps accomplish the wonderful cures to their credit without the aid of opium, morphia, or any other of the harmful drugs employed in most cough mixtures at 1s 1½d or 2s 6d a box. Direct at same prices from the Peps Co., Carlton Hill, Leeds. Note that each box bears the guarantee title, Peps, and that the tablets are encased in silver wrapping and also embossed with the name, Peps.

FLYING BILLIARD HANDICAP.

Last night in a flying billiard handicap at the Rothwell Mechanics' Institute, Mr. A. Cromack came out winner (80 to 50), his opponent being Mr. E. Heaton. The first round was a close contest, but the second round was a walk-over for Cromack. The third round was a close contest, but the fourth round was a walk-over for Cromack. The fifth round was a close contest, but the sixth round was a walk-over for Cromack. The seventh round was a close contest, but the eighth round was a walk-over for Cromack. The ninth round was a close contest, but the tenth round was a walk-over for Cromack. The eleventh round was a close contest, but the twelfth round was a walk-over for Cromack. The thirteenth round was a close contest, but the fourteenth round was a walk-over for Cromack. The fifteenth round was a close contest, but the sixteenth round was a walk-over for Cromack. The seventeenth round was a close contest, but the eighteenth round was a walk-over for Cromack. The nineteenth round was a close contest, but the twentieth round was a walk-over for Cromack. The twenty-first round was a close contest, but the twenty-second round was a walk-over for Cromack. The twenty-third round was a close contest, but the twenty-fourth round was a walk-over for Cromack. The twenty-fifth round was a close contest, but the twenty-sixth round was a walk-over for Cromack. The twenty-seventh round was a close contest, but the twenty-eighth round was a walk-over for Cromack. The twenty-ninth round was a close contest, but the thirtieth round was a walk-over for Cromack. The thirty-first round was a close contest, but the thirty-second round was a walk-over for Cromack. The thirty-third round was a close contest, but the thirty-fourth round was a walk-over for Cromack. The thirty-fifth round was a close contest, but the thirty-sixth round was a walk-over for Cromack. The thirty-seventh round was a close contest, but the thirty-eighth round was a walk-over for Cromack. The thirty-ninth round was a close contest, but the fortieth round was a walk-over for Cromack. The forty-first round was a close contest, but the forty-second round was a walk-over for Cromack. The forty-third round was a close contest, but the forty-fourth round was a walk-over for Cromack. The forty-fifth round was a close contest, but the forty-sixth round was a walk-over for Cromack. The forty-seventh round was a close contest, but the forty-eighth round was a walk-over for Cromack. The forty-ninth round was a close contest, but the fiftieth round was a walk-over for Cromack. The fifty-first round was a close contest, but the fifty-second round was a walk-over for Cromack. The fifty-third round was a close contest, but the fifty-fourth round was a walk-over for Cromack. The fifty-fifth round was a close contest, but the fifty-sixth round was a walk-over for Cromack. The fifty-seventh round was a close contest, but the fifty-eighth round was a walk-over for Cromack. The fifty-ninth round was a close contest, but the sixtieth round was a walk-over for Cromack. The sixty-first round was a close contest, but the sixty-second round was a walk-over for Cromack. The sixty-third round was a close contest, but the sixty-fourth round was a walk-over for Cromack. The sixty-fifth round was a close contest, but the sixty-sixth round was a walk-over for Cromack. The sixty-seventh round was a close contest, but the sixty-eighth round was a walk-over for Cromack. The sixty-ninth round was a close contest, but the seventieth round was a walk-over for Cromack. The seventy-first round was a close contest, but the seventy-second round was a walk-over for Cromack. The seventy-third round was a close contest, but the seventy-fourth round was a walk-over for Cromack. The seventy-fifth round was a close contest, but the seventy-sixth round was a walk-over for Cromack. The seventy-seventh round was a close contest, but the seventy-eighth round was a walk-over for Cromack. The seventy-ninth round was a close contest, but the eightieth round was a walk-over for Cromack. The eighty-first round was a close contest, but the eighty-second round was a walk-over for Cromack. The eighty-third round was a close contest, but the eighty-fourth round was a walk-over for Cromack. The eighty-fifth round was a close contest, but the eighty-sixth round was a walk-over for Cromack. The eighty-seventh round was a close contest, but the eighty-eighth round was a walk-over for Cromack. The eighty-ninth round was a close contest, but the ninetieth round was a walk-over for Cromack. The ninety-first round was a close contest, but the ninety-second round was a walk-over for Cromack. The ninety-third round was a close contest, but the ninety-fourth round was a walk-over for Cromack. The ninety-fifth round was a close contest, but the ninety-sixth round was a walk-over for Cromack. The ninety-seventh round was a close contest, but the ninety-eighth round was a walk-over for Cromack. The ninety-ninth round was a close contest, but the hundredth round was a walk-over for Cromack.

LEEDS GENERAL INFIRMARY.

The treasurer of Leeds General Infirmary acknowledges receipt of £2 18s 6d, workpeople dues from Middleton Estate and Colliery Co., per A. Dixon, and £2 18s 6d, workpeople of John Arncliffe and Bros., Robin Hood Quarries, per E. Gilles.

OUTLON WESLEYAN P.S.A.

Mr. James Morton presided over a large company at the above service on Sunday last. The interesting address was given by Mr. W. H. Pomfret, of Headingley College. Mr. J. H. Newsome was the organist.

PLEASURE

Nearly everyone writes, but how few with pleasure! "Corrosetti nibs and sticky ink" one accepts as a matter of course on a holiday, and how often does the home nib scratch and annoy? Gold Nibs, tipped with Iridium, cannot scratch; they are made with points of varying width to imitate the J and other popular patterns, and they glide over the paper in a way that is simply marvellous.

Fountain holders keep ink fresh and fluid, and always at hand.

A Fountain Pen being a combination of ball and fountain holder, is therefore the ideal writing instrument.

The Ideal Fountain Pen is made by CURZON, LOYD, AND MACGREGORE, LTD.
